

Bachelor of Arts

Management and Ethics Major

Program Director: Shannon Hogan, MA

The Management and Ethics major provides foundational preparation in business management theory and practice from a Christian perspective.

Students successfully completing this program will demonstrate:

1. A basic understanding of the major concepts and ideas in various areas related to business management such as accounting, marketing, management, and others.
2. Skills in applying the concepts and ideas of business management to real-world situations.
3. The ability to integrate Christian ethics and values with the practice of business management.
