

Bachelor of Arts

Psychology Major

Program Director: Elizabeth Earle-Warfel, Ph.D.

The Psychology major provides foundational preparation in psychological theory and practice from a Christian perspective. The major is designed for those who intend further graduate study in psychology and those who wish to use psychology as a way of entering into various professions such as secondary education in the state of Florida, social work, human resources and others.

Students successfully completing this program will demonstrate:

1. A basic understanding of the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology,
2. The ability to understand and apply basic research methods in psychology, including research design, data analysis, and interpretation, and
3. The ability to weigh evidence, act ethically, and integrate Christian values with psychology as a discipline.
