

"One reason for the high percentage of successful Christian workers produced by this school is that we are not so large that the individual gets lost in the crowd. Students are individuals, not a number, and each one is able to have individual help so that they may grow, not only in intellect but in spirit."

- Dr. W. T. Watson, Founder

Continuing in the passion for higher Biblical education for over 78 years as a college, we treasure the Word of God as the Book for guidance and fulfillment in this life. Our founder, Dr. W. T. Watson, possessed a strong passion to provide an educational experience that would transform the student into a servant leader for Kingdom ministry! This pursuit continues today with the educational excellence of our faculty to the sacrificial commitment of the staff.

Remember the challenge God gave Jeremiah:

*Call to Me, and I will answer you, and show you
great and mighty things, which you do not know.*

Experience this *reality* in the classroom, on campus, and in service for the Lord! The discovery of the "great and mighty things" awaits you! *Come and join the adventure* of becoming a transformational servant of the Most High, commissioned to *influence and impact* the 21st century for the Glory and Honor of the Lord Jesus Christ!
