Continuing in the passion for higher Biblical education for more than 83 years as a college, we treasure the Word of God as the Book for guidance and fulfillment in this life. Our founder, Dr. W. T. Watson, possessed a strong passion to provide an educational experience that would transform the student into a servant leader for Kingdom ministry! This pursuit continues today with the educational excellence of our faculty to the sacrificial commitment of the staff.

Remember the challenge God gave Jeremiah:

Call to Me, and I will answer you, and show you great and mighty things, which you do not know.

Experience this reality in the classroom, on campus, and in service for the Lord! The discovery of the “great and mighty things” awaits you! Come and join the adventure of becoming a transformational servant of the Most High, commissioned to influence and impact the 21st century for the glory and honor of the Lord Jesus Christ!
