President's Council, Alumni Officers

The Challenges of COVID-19 have made it necessary for Higher Educational Institutions to address social distancing, safety, and compliance with CDC Guidelines as preparations are made for students returning on campus in the Fall.

The President's Cabinet of Trinity College of Florida has addressed the above mentioned issues that affect our students. The safety protocols are attached for your use. They are posted on our website and in additional locations for easy access.

Working toward a safe and satisfactory return of all our students,

A handwritten signature in blue ink that reads "Mark T. O'Farrell".
