

# COVID-19 Safety Protocol Policy for Academic Spaces

## Policy Basis

In general, all policies adhered to by Trinity College of Florida follow either the recommendations made by the [CDC](#) or by the [Florida Department of Health](#).

## Policy on Classrooms

- The policy on wearing masks is to be followed coming into and out of the classroom.
- Once you are seated you can remove your mask.
- To maintain social distancing the desks and tables must remain as they are placed each morning.
- Professors must wear masks if students are seated immediately in front of the teaching module and/or the podium. If those seats are empty the mask may be taken off.

## Policy on Student Learning Center

- Masks and social distancing will be enforced as much as possible in the SLC
- The SLC Director and all tutors will wear masks at all times while students are present.
- Online and video tutoring is available for any student who is uncomfortable receiving tutoring in person.

## Policy on Library

- Masks and social distancing will be enforced as much as possible in the Library
- All students and faculty must wear masks while in the library
- The Library hardcopy collection will not be available for student checkout.
- The Online library collection is easily accessible to all students.

- If a search of the data bases does not yield the desired book, a request can be sent to the Library Staff who will find the book and make it available for checkout.
