## 2020 ... the Roaring Twenties?

Do you remember the 1920's? Probably not, but you have read about that era in American history, seen movies about that time, and noticed the massive cultural changes that had captured the attention and passion of people.

It was an era of economic prosperity after World War I. There was a large scale use of the radio, telephone, and electric appliances. The automobile was prominent. Airline traffic increased. There was a break from tradition and everything was perceived feasible through technology. Sophisticated crime was on the rise. And media was booming in telling the benefits of increased availability of all technological achievements and modern conveniences. **Sound Familiar?** *Roaring economy, expanding technology, voices of blessing to all, and extensive traveling, not to mention the moving away from the traditional. Interesting to say the least!* Then came the 1929 Crash and World Wide Depression! Are there historical and parallel cycles present? You be the detective!

As we enter 2020, the following scripture can be our anchor, encouragement, promise, and assurance:

*"For I am the Lord your God who takes hold of your right hand and says to you. 'Do not fear; I will help you.'" Isaiah 41:13 NIV*

Two indispensable truths we must know and embrace:

1. **God takes the initiative to hold your hand!** God is SO powerful, SO good, and SO wanting you to see, know, and feel His greatness for your good, that He takes hold of your hand! You might like to hold hands, but He will take the initiative and you will enjoy the grip ... trust me! He does this through 'words, feelings, events, people, issues, counsel and desires.' Relax, He has your Hand! Let the winds of bad news, hurtful events, or disappointing results occur ... He has your Hand! You have His Presence! You have His involvement! He is there with you!
2. **God has a personally designed 'word' for you!** He literally speaks to you in His significant way! It will include '*Do not be afraid*' and it will include '*I will help you!*' What a word for our souls today! We need help and assistance at every turn! And we need to feel 'peace,' not fear! We need rest in the midst of turmoil, confusion, and chaos! *Be Listening!*

"Be strong and of good courage, do not fear nor be afraid of **them**; for the Lord your God, He is the One who goes with you. He will not leave you nor forsake you ... And the Lord, He is the One who goes before you. He will be with you, He will not leave you nor forsake you; do not fear nor be dismayed." Deuteronomy 31:6,8 NKJV

What is your "**THEM?**" **Whoever or Whatever it is**, the Lord goes before you, beside you, and ahead of you! He will help you ... do not be fearful or 'go to pieces!'

*And that is really 'something to roar about!'*
