Great Is Thy Faithfulness

Great is Thy faithfulness, O God my Father,
There is no shadow of turning with Thee;
Thou changest not, Thy compassions they fail not;
As Thou hast been Thou forever wilt be.

Summer and winter, and springtime and harvest,
Sun, moon and stars in their courses above
Join with all nature in manifold witness
To Thy great faithfulness, mercy and love.

Great is Thy faithfulness!
Great is Thy faithfulness!
Morning by morning, new mercies I see;
All I have needed Thy hand hath provided
Great is Thy faithfulness, Lord unto me!

Pardon for sin and a peace that endureth,
Thy own dear presence to cheer and to guide;
Strength for today and bright hope for tomorrow,
Blessings all mine, with ten thousand beside!

Great is Thy faithfulness!
Great is Thy faithfulness!
Morning by morning, new mercies I see;
All I have needed Thy hand hath provided
Great is Thy faithfulness, Lord unto me!

ACADEMIC REGALIA

Much interest is always occasioned by an academic procession because of the colorful dress worn during the ceremonies by the faculty and other participants. The colorful academic regalia dates from the Middle Ages when European universities took form. Academic attire has been in use in the United States since colonial times and is traditionally used for graduation convocations.

An intercollegiate commission was formed which established the following standard of uniformity for caps, gowns, and hoods. The standard cap is the mortarboard

The gown's traditional color is black. In general, the gown indicates the level of the highest degree held. For the associates and bachelors, the black gown has full, flowing sleeves. The distinguishing feature of the master's gown is the tippet sleeve. The doctor's gown has two distinguishing features: it is cut much fuller and has velvet panels on the sleeves, around the neck, and down the front. These panels may be black or the color that symbolizes the subject field in which the degree was earned.

Most identification is contained in the hoods. The length of the hood and the width of the velvet indicate the level of the degree. The doctor's hood is four feet in length, has two tails, and has a five-inch wide velvet edging. The master's hood is three and one-half feet in length and has a three-inch wide velvet edging. The bachelor's hood is three feet in length and has a two-inch velvet edging. The velvet edging of the hood indicates the subject matter in which the wearer's degree was earned. The colors in the lining of the hood identify the institution from which the degree was earned.
