Jesus Paid It All

I hear the Savior say, "Thy strength indeed is small!
Child of weakness, watch and pray, Find in Me thine
all in all."

*Jesus paid it all, All to Him I owe,
Sin had left a crimson stain,
He washed it white as snow.*

Lord, now indeed I find Thy power and Thine alone,
Can change the leper's spots and melt the heart of
stone.

*Jesus paid it all, All to Him I owe,
Sin had left a crimson stain,
He washed it white as snow.*

For nothing good have I, where by Thy grace to
claim. I'll wash my garments white, in the blood of
Calvary's Lamb.

*Jesus paid it all, All to Him I owe,
Sin had left a crimson stain,
He washed it white as snow.*

And when before the throne I stand in Him
complete, "Jesus died my soul to save," My lips
shall still repeat.

*Jesus paid it all, All to Him I owe,
Sin had left a crimson stain,
He washed it white as snow.*

ACADEMIC REGALIA

Much interest is always occasioned by an academic procession because of the colorful dress worn during the ceremonies by the faculty and other participants. The colorful academic regalia dates from the Middle Ages when European universities took form. Academic attire has been in use in the United States since colonial times and is traditionally used for graduation convocations.

An intercollegiate commission was formed which established the following standard of uniformity for caps, gowns, and hoods. The standard cap is the mortarboard.

The gown's traditional color is black. In general, the gown indicates the level of the highest degree held. For the associates and bachelors, the black gown has full, flowing sleeves. The distinguishing feature of the master's gown is the tippet sleeve. The doctor's gown has two distinguishing features: it is cut much fuller and has velvet panels on the sleeves, around the neck, and down the front. These panels may be black or the color that symbolizes the subject field in which the degree was earned.

Most identification is contained in the hoods. The length of the hood and the width of the velvet indicate the level of the degree. The doctor's hood is four feet in length, has two tails, and has a five-inch wide velvet edging. The master's hood is three and one-half feet in length and has a three-inch wide velvet edging. The bachelor's hood is three feet in length and has a two-inch velvet edging. The velvet edging of the hood indicates the subject matter in which the wearer's degree was earned. The colors in the lining of the hood identify the institution from which the degree was earned.
