ERVINE C. BRAGG D.D.

Dedication

This is a dedication to Dr. Ervene C. Bragg, in sincere appreciation of his faithful and sacrificial service to this, our school. Dr. Bragg has not only given unto us his deep spiritual knowledge of the Word of God, but also has unreservedly set an example of the highest degree of Christian living, by his own personal life. Never could enough be said of our true love and affection for him, but as a mere token of our heartfelt appreciation, we dedicate to him the 1951 edition of "The Beacon."

WILLIAM T. WATSON

Not enough can be said of Dr. Watson. This statement carries the whole feeling of the student body. A man, who has denied himself so much in order to give to the young people of his age a truly great Christian education, will receive his reward in the "Ages to Come." Each one of us has found Dr. Watson to be a wise counselor, a gifted instructor, and a powerful orator. We can only show our appreciation for him, by saying a simple "Thank You, Dr. Watson."

The Graduating Class

A Word from the President

To the Class of '51 and all previous classes which have graduated from this school, we salute you in the name of our Lord. The days which you have spent here and the many lessons that you have learned will have an important part in determining your success in the field of Christian Service. Use this knowledge wisely and sincerely.

Facing you today is the greatest field of opportunity for Christian Service that any generation of young men and young women have looked upon. The field is white, it is large, the call is urgent, the time is short and souls are precious, so, "Work while it is yet day." Remember the world owes you nothing, but you owe the world a life and let it be a life of service.

We are now about to close our nineteenth year in the training of Christian young men and young women for definite Christian Service. Your school is not confined to the rooms, halls, and campus of the institution, but wherever there is a former student - there also is Trinity College of Florida. Always feel that you are an important part of your alma mater, so do it honor.

Let us more earnestly and faithfully than ever, pray for each other and for our school, as we attempt to carry forward our great expansion program. Our greatest days in training for Christian Service, we believe, are yet ahead. May His richest blessing accompany you and your ministry as you seek to serve your Lord. Yours in the bonds of Christian Love.

"I Need a Body"

"I need a body for My use,--
Wilt thou not lend Me thine?
Surrender it to Me and I
Will every part refine!
I'll touch the heart of it with love:
Love for the heathen lost;
Love that will give, and give,--and GIVE
And never count the cost!"

"I need a body for My use,--
With nurse--or doctor's skill:
Someone who loves enough to care
For the 'unlovely' ill!
Trained hearts with love athrill:
Ready to help the helpless ones
And quick to do My will!"

"I need a body for My use,--
Wilt thou not lend Me thine?
A 'living sacrifice' I ask,
That I,--with power Divine
Might claim it as My very own
And use it,--as I will:
Eternal blessings are assured,--
Your cup of joy I'll fill!"

Historically Speaking

The school was founded in 1932 under the leadership of the present president, Dr. William T. Watson. The purpose of the school is the training of young men and women for definite Christian Work.

The Florida Bible Institute was located in Temple Terrace, near Tampa, for the first eleven years. In the spring of 1943 the officials of the school sold the property in Temple Terrace and purchased a new home for the Institute in St. Petersburg, the new location having many advantages over the former school home.

Trinity College is now in the nineteenth year of "Training for Christian Service," with graduates and former students eminently successfully serving as pastors, evangelists, missionaries, singers and musicians, church secretaries, chaplains, youth workers and radio artists. They are serving in all the major denominations and some in interdenominational churches. Their accomplishments in their fields of service reflect the thorough work done in the classrooms at the school.

Trinity College is the enlarged school and curriculum of the Florida Bible Institute. This change was necessary to meet the urgent request for college work that the students might have additional subjects and courses not offered in regular Bible Institutes, also to provide Bible College work for young people who appreciate a Christian atmosphere where their faith will be strengthened and spiritual values emphasized. The objective of Trinity College will always be "Training for Christian Service." We shall always major in Christian Education.

Trinity College is inter-denominational, fundamental and evangelical. The statement of doctrine is the same as that of "The World's Christian Fundamentals Association." Graduates of the School usually continue their ministry or work in the denomination to which they belong. This they are encouraged to do. Students are taught the value of spiritual things and are encouraged in their "faith life." Prayer is an important part of the school life.

The growing number of students who wish to attend the school has necessitated once more the moving of the school to a more advantageous location at Belleair, Florida. This new location will also place the students in a position to do more extension work, which is an important part of the curriculum.

Ballast Point Evening Class

One of the Trinity College evening classes meets every Friday for two hours at Ballast Point Baptist Church and is being taught by Rev. Calvin Thorpe and Rev. D. Luttrull, Sr. Although the class is small the students are enjoying the work and are receiving great blessing from the effort they put forth.

Tampa Evening Class

The Tampa Evening Class meets every Monday at the Faith Church in Tampa under the leadership of Rev. F. L. Aughinbaugh and Dr. E. C. Bragg. Much good is being accomplished in this class and the quality of the students is high. We praise the Lord for the faithfulness and initiative of our evening classes.

God's Little Things

In all the little tiny things
God also shows His skill;
Not just in solar systems vast,
But in clover on a hill.

Each blade of grass, each opening bud,
Each flower sweet and rare
Shows forth His marvelous handiwork,
Proclaims His loving care.

O God, who made these little things,
The sparkling drops of dew,
A dainty little snowflake white,
A leaf so green and new--

Give me a love for little things;
Teach my blind heart to see,
That Thou who carest for little things
Art the God who cares for me.

Dorothy Strong

General Chorus

The General Chorus, under the direction of Don Luttrell and student conductors, is made up of all the students. The chorus gives forth in song, the Word of God in services throughout this section of the state.

Ladies Essemble

Ten girls singing three-part harmony—this is the Ladies' Ensemble. The group has had many opportunities to serve their Lord at Youth For Christ rallies and other meetings.

Anne, Ina Mae, Dottie, Lin

Jackie, Sammie, Freda

Several times members of the ensemble have formed trios for more extensive service.

A class that teaches students to lead group singing is Conducting I. It has been proved invaluable as the young people go out to direct services.

Notation is a first-year course of the principles of music, and it is required for most students.

The second-year Conducting class is mainly designed to teach how to direct choirs.

Harmony— a subject which teaches us to sing and write music.

As the Male Quartet sang, many services in this area were enriched, not only by the interesting arrangements of gospel songs, but also by the personality-plus revealed in their faces and actions.

Forrest, Marold, Eugene, Pat, Leonard

An addition recently formed to the musical department of the school is the Ladies' Quartet. Already they have found openings to give complete programs, using a variety of numbers and testimonies of the wonderful love of Jesus.

Jackie, Fae, Lin, Freda

Forrest Saltsman is our regular chapel pianist; Ernie Blair does most of the cornet-playing around school.

Forrest and Ernie

Another male quartet has been organized under the direction of Fred Brotherton.

Satisfied

My Saviour, Thou hast promised rest,
Oh give it then to me,
The rest of ceasing from myself
To find my all in Thee.

O Lord, I seek a holy rest,
A victory over sin,
I seek that Thou alone should'st reign
O'er all without, within.

In Thy strong hand I lay me down,
So shall the work be done,
For who can work so wondrously
As the Almighty One?

Work on then, Lord, till on my soul
Eternal light shall break,
And in Thy likeness perfected
I "satisfied" shall wake.

Dr. H. C. Moule

And Know That "I Am God."

Cake Time

to be Holy

Many people want to direct God, instead of resigning themselves to be directed by Him; to show Him a way, instead of passively following where He leads.

--Madame Guyon--

I said: "Let me walk in the field,"
God said: "Nay, walk in the town"
I said: "There are no flowers there"
He said: "No flowers, but a crown."

I said: "But the sky is black,
There is nothing but noise and din";
But He wept as He sent me back,
"There is more," He said, "There is sin,"

I said: "But the air is thick,
And fogs are veiling the sun";
He answered: "Yet souls are sick,
And souls in the dark undone."

I said: "I shall miss the light,
And friends will miss me, they say";
He answered me, "Choose tonight,
If I am to miss you, or they."

I pleaded for time to be given;
He said: "Is it hard to decide?
It will not seem hard in Heaven
To have followed the steps of your Guide."

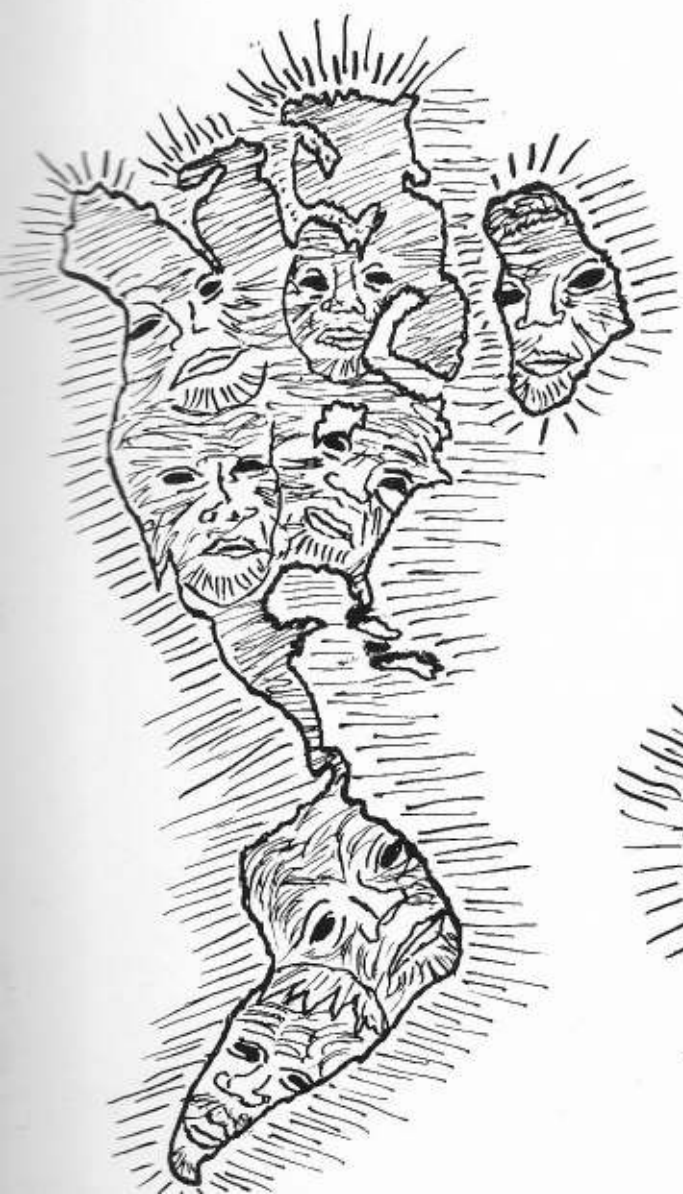

I Cast one look at the fields,
Then set my face to the town;
He said: "My child, do you yield?
Will you leave the flowers for the crown?"

Then into His hand went mine,
And into my heart came He;
And I walk in a light Divine,
The path I had feared to see.
