# FOREWORD

After many hours of hard work with stuttering typewriters, drawings which had to be discarded, glue that wouldn't stick, cameras that wouldn't focus, ideas that were never realized, and plenty of proofreading, we submit to the Faculty, students, former students, and friends of Trinity College this 1954 Beacon with the hope that our effort will be rewarded by your appreciation and enjoyment of it.

Since we have tried to exalt Christ on these pages, we pray that your heart will be blessed as you look through and read the contents.

# DEDICATION

Miss J. E. Reinhart

In any organization, those who are the most faithful usually receive the least credit and recognition from men. Such is the position of Miss Jessie E. Reinhart, Secretary of the Executive Board of Trinity College. By her assistance and part in Trinity College, she has been an indirect help in many souls finding the Lord Jesus precious. We know that some day she will hear the Master's, "Well done, thou good and faithful servant."

When attending school functions, Miss Reinhart is always ready to offer a warm handshake and a sweet smile to everyone. A friend of every student, her presence and guidance around school have been a real inspiration to many young people.

Not only because she is one of the original members of the administration, but also because of her fine Christian testimony and life, we, the student body, are extremely happy to dedicate the 1954 edition of THE BEACON to Miss J. E. Reinhart.

W. T. WATSON, D. D., President • CLEARWATER, FLORIDA

May 16, 1954

Greetings to the Class of '54

It seems but yesterday when many of you were registering in your freshmen class. Time has gone by swiftly, and you are now completing a great epoch of training in your life of Christian service. We trust the time spent at your Alma Mater has helped to prepare you for an effective field of Christian service.

We want you to know that wherever you may be and in whatever field of Christian endeavor you may be engaged, you will always be an important part of Trinity College. The school is not confined to the campus, but wherever our graduates are, there is Trinity College.

No class ever faced greater opportunities than are before you. Never was the call more urgent and the need greater than it is today. The influence of your life can be felt throughout the world. For His best you must give Him your best.

The loyalty of former students is deeply appreciated by the officials and faculty of the school. Your prayers, sacrificial giving, and your recommendation of the school to worthy young people, will enable your Alma Mater to do a greater work than ever in the training of Christian youth. God bless each one of you. Our love and prayers are with you. Mrs. Watson joins me in this.

Yours for Youth,

*Wm T. Watson*

# A LOOK INTO THE PAST

Overlooking Clearwater Bay and the Gulf of Mexico in Clearwater, Florida, stands a gem of God's love and grace to His children. Trinity College, which is this gem, is a training center for the youth of today who are looking forward to definite Christian service. Amid beautiful flowers, green lawns, swaying palms, beautiful sunsets, and beside the usually calm water of the bay, students spend their time studying the Word of God.

On September 20 in 1932, Florida Bible Institute had its beginning in a spacious country club overlooking the Hillsborough River at Temple Terrace, near Tampa, Florida. This was a vision come true of the founder and president, Dr. William T. Watson. Through the years after he had been dedicated to the Lord, his mother's prayers followed him; and she lived to see the vision of her son come true.

The spring of 1943 brought a change to Florida Bible Institute. The property at Temple Terrace was sold by the officials of the school, and a new home was purchased in St. Petersburg, Florida. This was an ideal location during the war years, but Dr. Watson was seeking a permanent home for the school during this time. Another change took place in 1947. The curriculum and faculty of Florida Bible Institute was enlarged, and the name of the school was changed to Trinity College.

In January 1951, God definitely led Dr. Watson to purchase the present property located in the Belleair section of Clearwater, Florida. This was formerly the social center of the rich sporting element of the winter tourists on the west coast of Florida. The massive casino room, where huge sums of money changed hands nightly during the season, is now the school's chapel. The riches of God are now given out by teachers to students, so that the exchange is vastly different. One of the places used as a bar in the building, before it changed hands, is now used as a study lounge for the young ladies, and also as a repository for gospel tracts. The other bar is now used as a snack lounge. The dance room is now one of the classrooms of the college. The change was so unusual that the Associated Press spread it to the nation. We often read of, hear of, or see a change in a person's life; but it is really uncommon when a building which is a stronghold of Satan is changed into a fort for God.

Through the halls of Trinity College have passed students who are now laboring as pastors, evangelists, missionaries, singers, musicians, church secretaries, chaplains, youth workers, children's workers, and radio artists. These Trinity-trained soldiers of the cross are serving in all the major denominations at home and abroad and are proclaiming the unsearchable riches of the Lord Jesus Christ. Thanks be unto God for a school that continues to stand for the faith once and for all delivered unto the saints. Trinity College is now in its twenty-second year of training for service.

# A LOOK INTO THE FUTURE

Looking twenty years to the future in our crystal ball, we see "Ole Father Time" watching the International presentation of Dr. Lowell G. Schofield's program, "Hear of Eternity," on his three-dimensional television set. Listen!

".....Howdy folks, and greetings in the name of the Lord Jesus Christ. Today, we are broadcasting from the beautiful new auditorium of Trinity College. It is Homecoming Day here at T. C., and I would like to give you a brief account of the activities of my fellow graduates of May 16, 1954.

"My own work for the past twenty years has been in evangelistic meetings over the nation. Mr. Ernest Tartler has been traveling with us as organist since his return from a fourteen-year term on the mission field. Also associated with the Schofield Evangelistic Party is the advance man, Rev. Franklin McLellan, and popular soloist Norman Groves.

"Two successful pastors returning to be with us today are: Pastor Reginald Cattel from Montreal, Canada, and Rev. James Baggett, pastor of the First Baptist Church at Atlanta, Georgia.

"I was quite surprised to find four former classmates in the role of professors: Rev. Emlyn Jones, who is now teaching Systematic Theology; Dr. J. J. Auringer, Professor of Pauline Theology; and Rev. R. W. Hubaker, Professor of Languages. With added experience, the former Freda Walton returned to Trinity as the Hymnology instructor.

"Co-directors of Florida Child Evangelism work are Louise McElhaney and Gertrude Smith. They report victory for Christ in their work among the children.

"I hold in my hand three telegrams from the 1954 graduates, all of them expressing their joy in serving the Lord Jesus. Those wiring us are Charles Fore from the West Indies Islands, Mrs. Berta Pain from Cuba, and Barbara Kuehn from South America.

"Rev. Arley Mitcham has recently been appointed Chaplain in charge of all Florida Penal Institutions; working with Arley in the jails is Rev. David Starling.

"We are so happy to have two instrumentalists home from the foreign field and their work in Africa---Don Hubbard with his trumpet, and Parson Clarence Kinzer, the trombonist.

"We're glad to see that Don Wilson, who is on furlough from India, is with us on this occasion, along with his five little preacher boys.

"Editor of Christian Victory magazine and being used of God to reach thousands with the pen, is Mr. James R. Lilly. I read in Jim's magazine recently of '54 graduate Jacky Riley's evangelistic efforts in South Africa.

"Now, we are going to have a special treat in music from these three daughters of the former Margaret Davis, who is engaged in evangelistic work with her family."

So, Ole Father Time hears the singing, testimonies, and ministry of the program; but his mind travels back to the days of Trinity College when these same people had felt the call to labor in the ripened harvest fields. Then, trying to imagine the multitude of precious souls which have been led into light by the 1954 graduates, he breathes a prayer for each of them and dozes off into slumberland.

"So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereunto I sent it."

Isaiah 55:11.

A very common sight on Wednesday afternoon at Trinity College is to see students getting on the bus. This is the Trinity College Tract Club. Their mission is to seek the unsaved in Clearwater and vicinity by personal contact.

First, let us go into the background of this club a little. Each year, as soon as everyone gets registered and settled in the routine of Bible College life, they meet in the chapel to organize a Tract Club. Officers are elected and plans drawn up to reach the surrounding areas with the gospel of the Lord Jesus Christ. Wednesday afternoon is set aside for house to house visitation and distribution of gospel tracts.

Much prayer is behind each day of visitation. Every Tuesday night the Tract Club meets in the chapel for special prayer and a short business meeting. Just before leaving the school on Wednesday, the students meet in the library for special prayer. At 2:30 P.M. the bus is seen receiving students for the special mission of seeking the lost, and those needing spiritual help. As the area to be covered is reached, the students spread out to different streets to knock on doors, and to pass out the precious printed page they bear. Everyone meets at the bus in time to get back to school before the evening meal.

This year has been an outstanding one for the club because so many persons have been won to Christ by this personal contact. Tact, personality, a good conversationalist, and a smile are assets in this business; but above all, we need to know Christ as our personal saviour before we can win others to Him.

Thousands of gospel tracts have been distributed this year. These are paid for by the students on the free-will offering basis. Now that we know something about this club, let us see it in action on the two following pages.

#### Time To Go!

Students seen approaching the bus for the afternoon of visitation are from front to rear: M. Powers, M. Davis, E. Avers, M. Buschek, B. Kuehn, C. Bubar, and L. Lyons.

"Go Ye Into All The World. . ."  
W. Eddy, W. Curry, and R. Stevens are seen leaving bus for their appointed area of house to house calling.

"You Take Those Houses, Don."  
W. Eddy, R. Stevens, K. Pennell, and Don Wilson dividing just before the knocking and doorbell ringing starts.

Will They Accept God's Word?  
W. Eddy ringing doorbell at first house.

Not At Home, But They Get A Tract.  
W. Eddy is seen leaving a tract inside the  
screen door of this home.

Why Not Come To Jesus Now?  
D. Wilson and W. Curry are seen here deal-  
ing with a lady about her eternal destiny.

"Suffer Little Children To Come Unto Me..."  
Children aren't left out as the Tract Club  
covers this area. Here M. Davis is seen  
speaking to three school children.

"I Wish That Bus Would Hurry!"  
The students are tired by the time they walk  
from house to house on several streets. The  
bus is a little late to pick up F. Kimball, W.  
Curry, R. Harris, H. Bonham, M. Davis, and  
W. Eddy for the journey.

# SUMMER EXTENSION WORK

"I must work the works of Him that sent me, while it is yet day: the night cometh when no man can work . . . John 9:4."

Because there is no summer term at Trinity College, the students are urged to engage in some form of Christian service during the summer months and thus put into practice the knowledge gained during the school year. During the past summer, a few of the students conducted evangelistic meetings while others were song leaders or pianists for various services. Some worked at Bible Conferences and summer youth camps as counsellors, teachers, song leaders, life guards, and dining room helpers. In churches of several denominations, a number of students took part in Daily Vacation Bible Schools as directors, teachers, pianists, and helpers. Others substituted as pastors and Sunday School teachers. A few Bible clubs were formed in private homes to reach children who do not attend Sunday School.

The following pictures show a few of the student's activities.

B. Kuehn and J. Riley are shown with the chief jailer at the Pinellas County jail. They sing and give out God's Word to the women on Friday night.

"He that goeth forth and reapeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him." Psalm 126:6. Studies aren't the only thing that take the attention of Trinity College students. Every weekend and also during the week they are busy preaching, singing, testifying, playing musical instruments, teaching Sunday School classes, conducting Good News Clubs, and teaching classes in the public schools.

The above verse has been proved in the services conducted this year. Sheaves have been brought unto the Garner which has caused much rejoicing. Let us view a few of these activities.

On September 15, 1953, at the home of Mr. & Mrs. Arley Mitcham, a new organization came into being called, "Crusaders for Christ." This organization has a definite connection with Trinity College since its members are married students attending the school. All married couples with such a connection are automatically members if they so desire.

The purpose of this organization is for fellowship among the married couples, for prayer, for Christian service, and for tract distribution.

Each Tuesday night is prayer time for the group at which time an offering is taken for the purpose of purchasing tracts, testaments, gospels of John, and Bibles for our Christian service.

# PRAYER TIME

Prayer scene in Men's Dorm

"... If you trust and never doubt,  
He will surely bring you out: Take  
your burden to the Lord and leave  
it there!"

Each Monday night means much to us fellows, for it is the time that we meet on the COMMON GROUND for our own little prayer meeting. A time of singing, testifying, and then taking our burdens to God in prayer has been our means of fellowship. Yes, we have much to thank the Lord for because burdens have been lifted and through prayer He has put a new song in our hearts! No longer do we only sing, "There Shall be Showers of Blessing," but now it is also "Praise God from Whom All Blessings Flow!!!"

The young ladies aren't to be outdone by the fellows, although it isn't thought of on those terms, but each Monday night they also meet for a time of refreshing through prayer. All the young ladies gather into one room where they sing, testify, let their prayer requests be made known, and then have prayer together. This seems to draw us together in bonds of Christian love as we pray one for the other. Many times during the school year our prayer meetings last until midnight as confessions are made to the Lord and to each other until things are made right. This is one of the highlights of life in a Christian school, because without prayer we would be weak Christians in our daily walk.

Sing Time In Prayer Meeting.

For the past two years, the students of Trinity College have taken full responsibility for the regular weekly combined prayer meeting. The students names are listed alphabetically, and as their turn approaches; two at a time take charge. One leads the singing, and the other a short devotion. Testimonies are also in order at each service.

We have found the Holy Spirit present in every meeting and His power has proved real and living.

## THE CORRESPONDENCE COURSE

In order to accommodate those who have the eagerness for studying the Bible, but are not able to come to school for classes; Trinity College offers an inspiring, helpful Correspondence Bible study course. This study arrangement is ideal for helping the Christian in studying the Word of God, and being more effective in winning souls.

The course is divided into five major parts: The Bible, Bible Doctrine, Fall and Redemption of Man, Faith and Repentance, and Christ and The Early Church. It is especially groomed to give the Christian a good foundation on which to build, so he will never be misled by false doctrines.

Just a few weeks is all the time that is necessary to complete this course, if enough time is applied to studying; or the study may take several months to finish, depending upon the personal study habits of the individual. As the sections are finished, they are sent to the school where they are very carefully graded, and returned.

One reward for the completion of this correspondence learning may be found in the help the student gets in leading some lost soul to accept the Lord Jesus Christ as a personal saviour, but this is not all. When a student has completed the entire course, he receives a certificate which will give him fifteen semester hours credit at Trinity College.

The cost of this helpful and incomparable course is \$10.00, to cover the cost of notes, the grading of papers by school instructors, and the attractive certificate.

Divisions of the course and their coverages follow:

- I The Bible - - The Word of God  
In this part, the study of the origin and history of our Bible, the great division of the Old and New Testaments, and the ways and methods of efficient Bible Study, are taken up for meditation.
- II Bible Doctrine  
The many great doctrines of God's Word, including the doctrine of Jesus Christ, the doctrine of the Holy Spirit, and other subjects concerning doctrine are discussed herein.
- III Fall and Redemption of Man  
The origin of man, the fall, the story of redemption as provided in Jesus Christ, the new birth and the Christian Life, are all part of this inspiring chapter.
- IV Faith and Repentance  
This is a study of the plan and purpose of salvation. A portion of this study is devoted to methods, and ways of doing personal evangelism, which is a definite help in soul winning.
- V Christ and the Early Church  
The study of the life of Christ, and the history of the early church and their leaders, is included in this fifth division of the course.

Miss Clara Teets

# CLARA TEETS MEMORIAL LIBRARY

In the early years of Trinity College, a library was established in memory of a charming Christian lady, Miss Clara Teets of New York. This was made possible by her brother, Mr. H. M. Teets, who gave a large portrait of Miss Teets, and also a gift of money for the founding of our library as a memoriam of his deceased sister.

We, the student body, are very thankful for and very proud of our Clara Teets Memorial Library. It is an active place, kept busy by hustling students who find it a quiet, useful study. The many volumes of books and commentaries are very valuable for the person who is writing a sermon or a thesis. There is also a good variety of fiction books, missionary books, and great biographies. The library plays an important part in the development of each student's spiritual and mental qualities toward God.

Mrs. Edith Myers, the librarian, is to be commended for the fine work accomplished this year. Many student workers have also given their time to the upkeep of this room.

We give thanks to God for this library and praise Him for the blessings received through its existence. This brings our attention, however, to the fact that we are in great need of larger library facilities, and we trust that you will pray and give with us so that we might see this as a reality in the very near future.

# MUSIC DEPARTMENT

Since 1932 when Trinity College was founded by Dr. W. T. Watson, the school has always been known to have a high-rating music department. This has been true these many years because of the fine music faculty God has blessed us with.

Such noted persons as J. W. Van DeVenter who wrote such songs as "I Surrender All" and "Sunlight", and Mrs. J. T. Mathes, gave to our school a fine well-rounded education to develop students for the field of music. The students who went out and trained others in this field have made a lasting impression upon them by the inspiration of their Spirit-filled lives.

We not only thank God for the teachers who have devoted their talents to the winning of souls in the past, but we are equally appreciative of the wonderful teachers in our music department today.

Under the guidance of Mr. and Mrs. Leigh Markham, many students have gone from the school to be a blessing to thousands in the evangelistic music field.

Other teachers on our music faculty are: Miss Frieda Fitch, wind instrument instructor; Mrs. Una Fitch, keyboard instrument instructor; Miss Freda Walton, hymnology, sight singing, notation, and Ladies Acapella Choir instructor; and Mr. E. C. Morgan, Men's Chorus instructor.

# YOUTH AND LIFE

Special music---contests---choruses---inspiring messages---real Christian fellowship! That is Youth and Life! This is a service which all young people attend; that is, all who are under 99 years of age. Each Saturday at 7:30 P.M., a crowd gathers in the chapel of Trinity College for a time of real blessing from the Lord. Mr. Pat Morgan, school supervisor, begins each meeting with a lively song service, with Al Tedder filling in with peppy choruses that make one forget his troubles.

Some of the speakers who came this year were Dr. H. P. Rankin, pastor of the Christian and Missionary Alliance Church, Atlanta, Georgia; Rev. Lloyd "Bud" Boldt, a former student at Trinity; Rev. Ralph Keene; Rev. Venable; Rev. Paul Schoming; Rev. Charles Ide; Mr. J. R. McMurray; Rev. Bostrom, a teacher at the school; and Rev. Cornelius Ver Hoeve, field representative of Trinity College. Dr. E. C. Bragg, vice-president and teacher of theology at Trinity, also brought a dynamic message from God's Word.

We also viewed several religious films this year. "Heathen Rage," a stirring film from the mission field of Africa, wonderfully presented the need of that great continent leaving a real challenge to preach the Word to those who are lost in the darkness of sin. The story of "Pilgrim's Progress" was made real before our eyes by Baptista Films. The life of Christ, as told by Cornelius the centurion, was beautifully portrayed in "I Beheld His Glory."

Other films shown were: "All That I Have," a heart searching film on stewardship; "Operation Orient," put out by the Pocket Testament League; and "God Is My Landlord," also on stewardship.

Student night was observed twice this year with students taking charge of the entire service. Al Tedder and Rabon Stevens delivered the messages on these nights.

These meetings have been great times of blessing for all who attended.

## CHAPEL

"... In quietness and in confidence shall be your strength..." Isa. 30:15.

This section of the Beacon is devoted to the Chapel services at Trinity College each Wednesday and Friday mornings. These are times set aside from classes, and other school activity to worship God and meditate upon His Word; times of drawing close to the very side of Jesus.

Certainly these services are conducted under the leadership of the Holy Spirit, because programs have been changed after entering the Chapel. Never does a person enter the Chapel service seeking a blessing, and leave without having felt God's presence in a wonderful way.

Our own faculty members play a large part in our devotional life by their helpful and inspiring messages. Dr. Watson, Dr. Congdon, Rev. Bostrom, and Miss Lois Moore have brought us lessons from the Word which God laid on their hearts.

Dr. H. P. Rankin, pastor of the Christian and Missionary Alliance Church, Atlanta, Georgia, left us a stirring challenge for the mission field. After his ministry here, the missionary vision of many of the students was widened; and others felt God's definite call to that work. Dr. Rankin also told of many thrilling experiences he had while visiting the Holy Land.

Miss Gilberta Walton, missionary on furlough from the Philippines, told of her work there with the Far Eastern Broadcasting Station in sending out the gospel in many different languages. She also left a challenge with us to press forward in the work God has for each one of us.

Mrs. Joseph Cannon, of Cannon Towels, brought an interesting and attractive flannelgraph story: "Christ, The Good Shepherd."

"Musical Mac," Mr. J. R. McMurray, with his 20 different musical instruments, entertained us with plenty of fun and fellowship.

Dr. Oswald J. Smith, pastor of the Peoples Church, Toronto, Canada, delivered a series of lectures on Evangelism and Revival from his new book, THE CONSUMING FIRE.

Rev. Don Luttrell, a former music teacher here at Trinity, presented a challenge for the West Indies.

Dr. Albert Hughes, editor of the CHALLENGER, from Toronto, Canada, brought a message on II Chronicles 7:14. The Holy Spirit brought conviction upon hearts, and the next period was spent in praying, confessing, and really making things right with God and with fellowmen. We believe a real revival was begun, and many souls are going to be won to Christ because of the vows that were made that morning.

Other outstanding speakers were Dr. T. Z. Lantz, Rev. Clarence Drake, Rev. J. Ralph Keene, Rev. L. J. Durk, Rev. Pat Withrow, Rev. A. J. Hoolsema. All these men brought messages that were blessed by God to our hearts.

Many Chapel programs are spent entirely in prayer. God has definitely spoken to many students during these hours. Some have felt a definite call to specific work for Christ, others have been convicted of a besetting sin in their lives, and all have left with the feeling that "it was good to have been here."

Every Chapel service is begun with soft devotional organ music played by Ernie Tartler. All who enter bow in silent prayer until the service begins. In these times of quietness, we have truly found strength. The verse of Scripture, Matt. 18:20, "For where two or three are gathered together in my name, there am I in the midst of them," has certainly proved to be true in our Chapel programs.

All in all, these precious moments of blessing have meant more to each student than can be expressed.

Dr. O. J. Smith
