SOLDIERS OF THE CROSS

In the midst of a perverse, wayward, and wicked generation, when the satanic powers and influences are so prevalent, may we "put on the whole armour of God, that we may be able to stand against the wiles of the devil".

Nothing can be more important in this day of service, than to be properly prepared for the battle that is ours as onward Christian soldiers. It is not sufficient that we merely hold our own, but we must press forward in and advance for the cause of Christ. Today, as perhaps never before, the need for labourers is great, and the harvest fields are truly white. Each warrior for the cross must take the complete armour of God -- nothing lacking -- that he may stand firm for the truth of the gospel of Jesus Christ in these closing days of time.

We feel that Trinity College is our basic training station for the job which is just ahead, and have attempted to point out in this book, the relationship of the armour and school life. Many battles must be won, and our God's will must be done. Realizing the challenge of the day, "take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand".

Foreword

Time has flown by quickly since we, the Beacon staff, first began our labors of the 1955 edition of the year book last September. We have tried, despite trials, difficulties, and troubles arising in publication, to exalt the living Christ in the pages of this book. We have no other desire, but that He may be glorified in our efforts.

We trust that the days here at Trinity College have prepared the students for the battle that lies ahead in life. Because we believe that the coming of the Lord is soon, we challenge each one to go forward for Christ in these crisis days, having taken unto themselves the whole armour of God, that they may be able to withstand the wiles of the devil. We must be brave and courageous, remembering that the battle is not ours, but the Lord's, and what He has promised, He is able also to perform.

Our theme is the sixth chapter of Ephesians and the whole armour of God displayed for us in that scripture. In the different phases of school life, there is an important part for each piece of armour to play in our spiritual conflicts. We have attempted to put forth the school days spent at Trinity in book form that you may rejoice in years to come for the time spent here.

Every page has been carefully and prayerfully prepared with the open Bible before us, so typical of Trinity. Now we send it out in your hands with the prayer of our hearts that God Himself may speak to many hearts through the medium of the 1955 Beacon.

Officers Of School

Dr. William T. Watson, President, Dean; Dr. Ervene C. Bragg, Vice-President; Dr. Oliver Williams, Hon. Vice President; Miss J. E. Reinhart, Secretary of the Board; Mr. Rexford Lilly, Assistant to the President, Dean of Men; Dr. M. Stanley Congdon, Registrar; Mrs. William T. Watson, Dean of Women.

Dedication

A tremendous job has been done with the available musical talent here at TC, and we believe that much of the credit should go to Mr. and Mrs. Markham. They willingly work long hours, patiently teaching and discussing problems of music or school life in order to help some student. Their love for Christ as well as their deep loyalty to Trinity, cap the honors in

Christian service for this pair. God has used them as blessings to many lives, and they are one of the most liked couples among the students.

From the beginning and through the years, the Markhams have been interested and active in Trinity College. The warm love and friendship which they so readily offer to the students has won the respect and admiration of many. Their lives, too, are examples and inspiration to those here on the campus.

In times past, the yearbook has been dedicated to one person for outstanding service. This year, we have felt that these two have become joined together as one in Christ Jesus, and it would not be proper to have one without the other. Therefore, for their service, love, sweetness, and faithfulness, we the staff dedicate the 1955 Beacon to both Mr. and Mrs. Leigh H. Markham, praying that God may reward them richly.

To The Class of 1954

Congratulations to each of you on the completion of your course of training here at Trinity College. The days have gone by swiftly and I am sure the lessons you have learned have been many. You will always occupy a big place in the hearts of the members of the faculty. Wherever you are, always remember that there is there an important part of Trinity College.

My congratulations also are extended not only to the Class of 1955 but to all of your fellow-students who have worked so faithfully in producing the 1955 Beacon. Without such splendid cooperation this book could not have been published.

As you go forth, this Scripture I wish to leave with you:

"Not I but Christ liveth in me"

Galatians 2:20

The world today has seen enough of men. They need a revelation of God and this can only take place as Christ lives in humble believers. The Christian life is the Christ life within, manifesting His love, His thoughts, His work through the Christian. Your Christian life is not a matter of imitation but habitation. "Christ in you the hope of glory." The cry of the world today should be the same as it was of old, "We would see Jesus". Do not forget spiritual values. They are of utmost importance. You will always be in the school of faith and new lessons you will learn daily, and while you continue to gain head knowledge may you be faithful in gaining heart knowledge.

Mrs. Watson and I shall be praying often for you in your different fields of service. We shall rejoice in your success and may God use each of you in His vineyard, for today, it is "Harvest Time".

Faculty

No better example of the breastplate of righteousness nor girdle of truth could be found than in the lives of our faculty. Particularly are we happy that they stand for the TRUTH of the gospel, and impart the word of God in its fulness. Not only for the rich knowledge of the Word, but also for the warmth of their interests and friendship, we give thanks.

Student Section

The feet are our foundation and they stabilize our walking. The feet are made to stand on, but find their full value in being exercised. So also is the preparation of the gospel of peace a stabilizer to our lives as Christian warriors, and our lives express their beauty in the trying of Christian graces.

Here in school we have been prepared for the long battle of Christian endeavor which God has for each one. We have been "putting on our shoes", for we have been preparing for the work.

The gospel of peace both instills peace in our hearts, and also brings peace to other lives. Nothing could be more important to the battle that to be on your feet doing something. Nothing could be more important to standing that the feet being shod in the proper way. The training received at Trinity will last eternally, for it is God's word, and it is God's power which will cause you to stand.

Senior Class Prophecy

Take a trip around the world with me in this year of our Lord 1975, to visit each member of the Trinity College graduating class of 1955, now busy in the harvest fields.

In passing through several towns and cities in the province of New Brunswick, Canada, we discover that many churches formerly boarded up have been once more opened by the efforts of Bishop Philip Giberson, now exercising authority in the Canadian region.

Let's stop to visit Evangelist Al Tedder in his Youth Crusade in New York City, with the former Margaret Garges as pianist and Jane Ketchum featured on the flute and the marimba. We learn also in this city of the fruitful work of Catherine Berg as the head of a Children's Home.

Travelling West our next stop will be Cleveland, Ohio, to enjoy a short stay with the Director of the Child Evangelism Fellowship of the city, Mrs. Golda Hull. In Cincinnati, the Rev. Lloyd Melhorn is organizing Bible clubs in the schools and holding great youth rallies. Rev. W. P. Eddy is also in this Mid-Western section as Director of the Pacific Garden Mission in Chicago, Illinois.

Had we started sooner we could have attended one of the conferences at Winona Lake, Indiana, to hear Dr. Albert Tassel, Jr. and Dr. Charles Cramer, outstanding Bible expositors. Rev. Walter Singer held a conference two weeks previous to that for Christian Jews.

Before we take a jaunt Southward, shall we stop by to see the pastoral work of Rev. Ralph Thomas and Rev. Raymond Pearl in the state of Rhode Island.

Richmond, Virginia, is the next stop, listening to the message of Evangelist J. H. O'Barr and his song leader, Mr. Williams Berryhill.

Do you remember Mrs. Hazel Cannon's camp for young people and children? Two more camps have been established in North Carolina and Alabama. Mrs. Mabel Titus and Gertrude Smith have been directing these camps for several years.

As we go through Georgia, we should stop at Atlanta and Augusta to see pastors Charles Lewis and Lynn Powers. A month ago the former Carolyn McMullen held children's meetings in both of these churches.

Now if you will continue by plane to Habana, Cuba, Rev. and Mrs. Clifford Bubar will meet us and show us the city. On the island of Puerto Rico we find Mary Louise Buscheck earnestly working to show men and women the way of Jesus.

Again we board a plane for Africa. In the Belgian Congo, Rose Hubbard and her husband have established a hospital. James Lilly and his wife are giving the Gospel to the natives in French West Africa. At a meeting of the missionaries in Southwest Africa, we find Barbara Reed.

Travelling north again we attend an evangelistic service in Madrid, Spain, with Ernest Tartler holding meetings here. In Berlin, Germany, Evelyn Stansel has had an abundant harvest in child evangelism work. Further East in Palestine, Doris Shamblen is working among the Jews.

After meeting Rev. Bernie LeClair and his wife at the airport in Bombay, India, we hurry on to the Philippines to observe the work of Philip Clements. We complete our trip by stopping in Japan to see Clarence Kinzer at work there.

As we board the plane once more for our return, we think back to Trinity days and realize that the moulding of lives there brought about consecration to teach many lost souls for Jesus Christ. How sweet will be His words, "Well done, though good and faithful servant."

Curriculum

Trinity College is a Bible school, training young men and young women for definite Christian service. How often we have heard these words, and yet how true it is.

Most of the work taken in our school is definite Bible teaching. We believe in studying the actual word of God rather than the things said about the Bible. During the entire course, the pupil is taking Bible Doctrine to give them the basic beliefs of the Christian faith. Pauline Theology, Pauline Epistles, Bible Analysis, Bible Synopsis, and Bible History and Geography, are just a few of the many other Bible subjects.

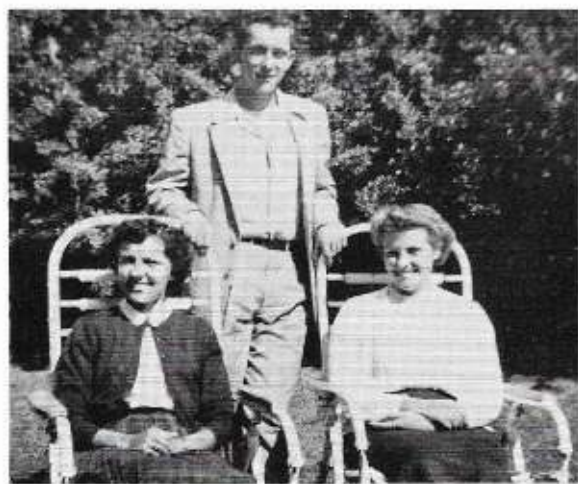

Such subjects as English, for three years, Public Speaking, Christian Education, Psychology, and Music Notation are offered to help equip the Christian worker with the right tools to do an effective job in the Lord's work. The school also provides for those interested in music, teaching piano, organ, voice, musical instruments of all kinds, and the opportunities of playing in the school orchestra, choruses, and musical groups.

Three-year Christian Workers' course is established for those who are interested in a real working knowledge of the scriptures, leading to a Diploma upon completion. In four years, the Bachelor of Arts in Biblical Education degree is earned. A Master of Arts can be awarded in the fifth year.

We believe that Trinity College is doing a job for the Lord that is blessing thousands of lives, and may our prayer continually be that the curriculum may rest wholly on the word of God.

Practical Work

"And take the helmet of salvation, and the sword of the Spirit, which is the word of God."

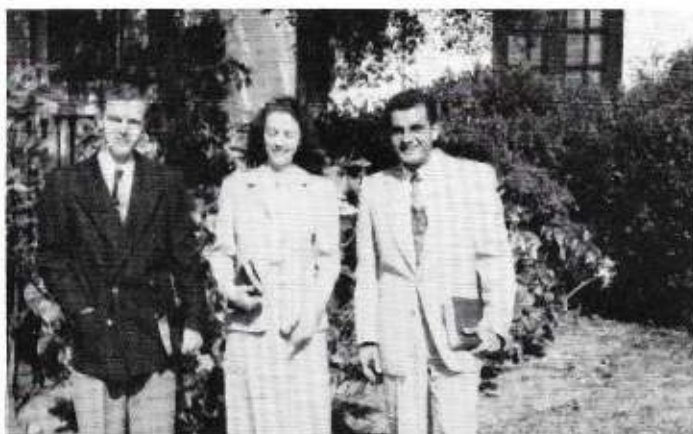

Having received Jesus Christ as personal Saviour, Trinity students are active in the school's extension program. Quartets, trios, Sunday School classes, jail services, Tract Club witness--these are opportunities for Christian service of which many students avail themselves.

Nothing is more important to the soldier than welding his weapon, and nothing could be more important to the Christian than using the sword of the Spirit. There are no flaws in our sword. Circumstances cannot change it, and it has an endurance for eternity. Saints through the ages have proved its accuracy and its ability to bring men to God. All the eternal power of God is in this mighty instrument. We seek in school to become acquainted with the word of God, for it is our greatest weapon for advance.

In this day when we hear so much of what men have to say, it is refreshing to glean the riches of God's word. May we never stray from this sword, but go forth in the power which lies therein, even as Trinity students are doing in their practical work.

Tract Club

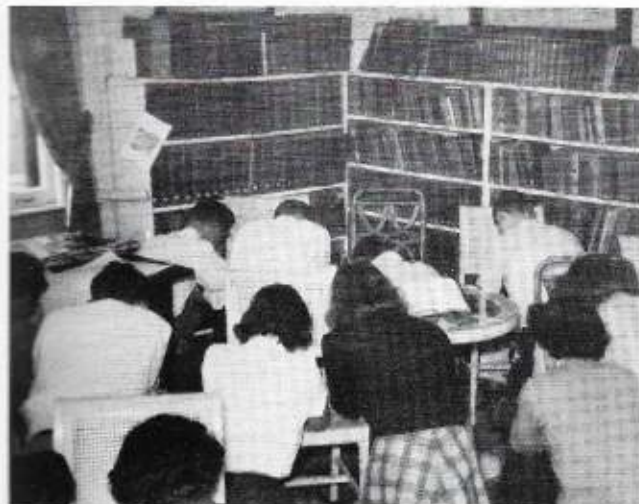

CLUB OFFICERS

A familiar sight on Wednesday afternoon is our blue and white bus going along Coe Road to Clearwater and the surrounding areas. The students, after a half-hour of prayer in the library, are ready at 2:30 to do their Tract Club contact work. The bus stops at several sections of the town, as the teams get off to carry the Gospel to the lost.

Poised, happy, and confident, Trinity students knock on doors and give their testimonies. Their friendly smiles and gospel tracts win many people to Christ.

Before suppertime the students are back on the bus, chattering and talking about their experiences. Many are richly blessed as they return home, bringing in the sheaves. With their faces beaming they share the joys of soulwinning for their Lord Jesus and offer all praise and glory to Him for the fruit of the day.

Prayer always comes first, then the students are ready to leave the school for personal witnessing.

Loading up for the ride to the particular section of the city to be covered today are Ralph Latta, David Pollock, and the bus driver Don Rouse.

The territory must be divided systematically even as coverage is complete, and so Margie Garges points out directions to Catherine Berg, Jo-Ann Ketchum, and Juanita Renner.

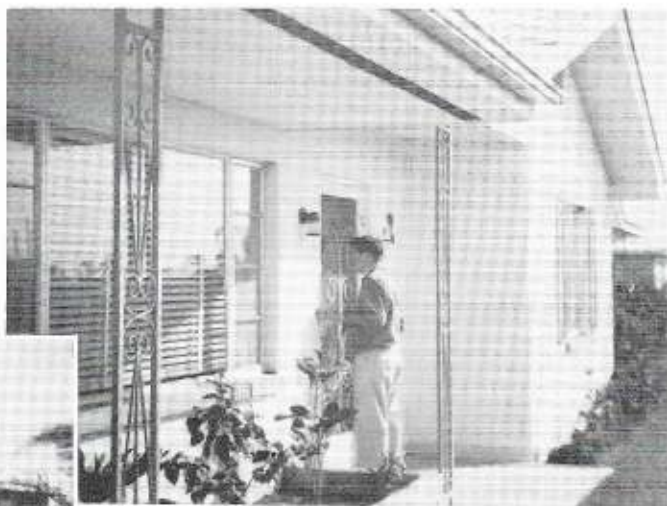

Ralph Latta ringing a doorbell with a prayer in his heart that this home may bring rejoicing in Heaven.

Jo-Ann Ketchum finds delight in witnessing to "little ones". Here she is shown earnestly talking to two little hearts who may be hearing the gospel message for the first time.

Waiting anxiously for the answer is David Pollock at the door of a Clearwater home. Many times, students are invited into the homes to explain the simple plan of God's salvation.

Students are quick to witness to all men in all places. Above, Charles Pollock shows that this gentleman about to enter his car is no exception to the command of God.

Right, Janis Morris speaking to the children at one of the school ground sliding boards. Some of the most fruitful work is done among the children of the city.

A little bit tired, but happy in being faithful to the Lord's command, the group meet to wait again for the bus and are exchanging the blessing of the day's effort.

Preacher Boys

Throughout the summer these men were used to preach the Word of God in their different sections of the land. Mr. Charles Lewis pastors a Baptist church in Tampa. Walter Singer worked with the Hebrew Christian work in Washington, D.C. Others pictured above had opportunities in the various churches.

Working in the churches of New Brunswick, Canada, were Ronald Cooke and Phil Giberson. Holding six services on a Sunday was not uncommon as these two evangelists worked hard at the job to bring the lost of that area to saving knowledge of Christ.

Men's Chorus

Tedder

There is never a dull moment in the Tuesday night Men's Chorus class. Singing for enjoyment as well as in public, the male students combined to give the quality of music so typical of Trinity College.

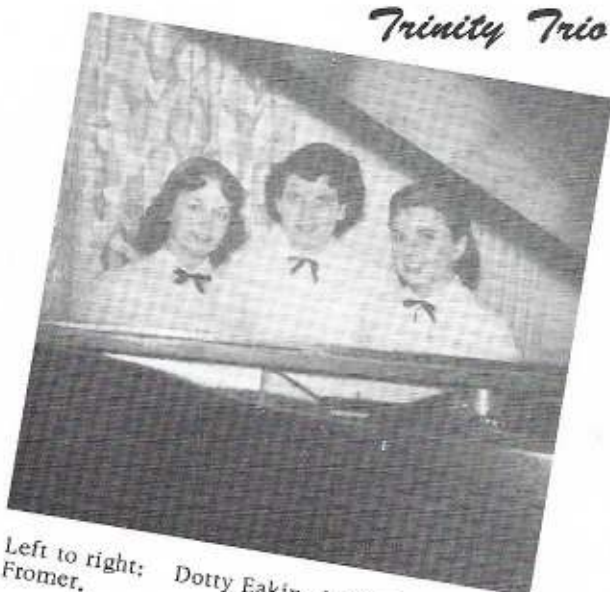

Al Tedder, shown at left, directed the chorus for the first semester. Mr. Markham took over the helm as the second semester began, and with certain additions to the group, they continued to improve their singing and were more used in the service of the Lord.

Trinity Trio

Throughout the Tampa Bay area, the Trinity extension work is carried forth. Many of these opportunities come to the musical groups of the school, shown on this page. There have been several other attempts to form trios, quartets, etc., even in the kitchen and showers, but these four teams have comprised the major groups.

The Joint Heirs and the Trinity Trio seemed to improve and enlarge their influence throughout the year while the male faction flourished more during the first part of the school year.

Spiritual singing is a definite part of Trinity College, and the kind and quality of music produced by this group has been a blessing to many hearts.

Youth And Life

Each Saturday at 7:30 p.m., students and friends of the school meet in the chapel for a spirited, informal program called "Youth and Life". Mr. Rex Lilly, Supervisor and Assistant to the President, has charge of the services. He is assisted by a few of the students in the musical part of the service. These include, Al Tedder, and John Corts who help by leading the people in singing some of the old gospel songs.

Special music has been furnished by trios, duets, quartets and soloists among the student body. Also, several have rendered instrumental numbers.

The school takes a great interest in the film ministry, and the friends who attend enjoy the different films that are presented. This year we had the opportunity of showing "London Crusade" -- the story of Dr. Billy Graham and the great London campaign conducted in March, April and May of 1954. Also, two films of the "Hour of Decision" were shown. Hearts were challenged by the great missionary film, "Heathen Redeemed." "Miracle" was another challenging sound movie that was shown during the year.

Some of the visiting speakers who came this year were Dr. E. C. Bragg, teacher of the school; Rev. Lloyd "Bud" Boldt, a former student at Trinity; Mrs. Margaret Markert, missionary to Japan; Rev. Charles Cramer, teacher of the school; Rev. Leonard De Lautre, pastor of Northside Methodist Church, St. Petersburg, Florida; Rev. Dwight Ferguson, representative of Youth for Christ International, and spearheader for the World Evangelism Congress in South America this year; Rev. John Bostrom, missionary to South America and Latin America. These, and others, blessed those who attended and challenged the hearts and lives of all Christians.

The school orchestra presented a concert and the art class directed by Miss Freida Fitch presented a Christmas Art Concert which was thoroughly enjoyed by everyone.

Many other outstanding speakers were heard through the remainder of the school year. These and many other things make up a Saturday night of relaxation and spiritual growth.

Chapel

Will you not come with me? It is chapel-time at Trinity College. Amidst the busy hours of study and school activity, the students of Trinity College gather together twice a week, on Wednesdays and Fridays, to receive a new outpouring of God's more-than-abundant blessings. Especially at these times of "drawing near", the spiritual need of each heart is met anew and afresh. God's Word, given forth in the fulness of the Holy Spirit, speaks words of comfort, words of encouragement, which are able to carry the student through his daily task of school life.

Not only does the Word of God speak to the hearts of the students, but also the testimonies of praise, the hymns and choruses of thanksgiving. Acutally, chapel-time is a feast-time. The student comes hungry and seeking, but goes away satisfied, having been filled with the rich blessings of God.

In the past months of school God has sent to Trinity College spirit-filled men and women whom He has used to speak to each heart. These servants of the Lord represent many fields of service, yet each of their messages have come straight from the heart as God has revealed to them.

Mr. Roy Gustafson, a former student of Trinity College, now a noted Bible teacher, brought us an expository lesson on Christ's being the fulfilment of the Law, from the book of Hebrews. Mr. Gustafson is widely known for his expository teaching, especially at the Marantha Bible Conference in Michigan.

Representing Youth for Christ were Mr. John A. Woodhouse of St. Petersburg, Florida, and Mr. Bill Bathman. Mr. Woodhouse told us of the spiritual awakening in the high schools, of the marvelous workings of the Holy Spirit in Youth for Christ, and of the response of the young people. Mr. Bathman strengthened our hearts with a short message on our heritage together in prayer, the groundwork of the moving of the Holy Spirit. Mr. Bathman, affiliated with the Youth for Christ inter-national as an evangelist, plans to make a tour of the West Indies, after which he will join Billy Graham in Scotland.

One of our own students, Mrs. Hazel Cannon, formerly Hazel Averill, who graduated in 1940, but who has now returned to receive her Bachelor of Arts Degree, inspired us with her thrilling testimony of how God in His miraculous power killed the "giants" in her life, as well as overcoming the insurmountable mountains confronting her in the youth camp work with which she is engaged.

Other interesting speakers were Mr. Ralph Boyer, pastor of the York Gospel Center in York Pennsylvania, and Mr. Hendon Brown, deputational director for the Tocoa Falls Bible Institute. With Mr. Brown, was the Tocoa Falls Bible Institute male quartet, which blessed us with messages in song.

Among our outstanding speakers was Mrs. Constance Fitch of the Oriental Missionary Society. In her quiet but challenging manner Mrs. Fitch gave forth the old but ever vital command of the Lord to go into all the world to preach the Gospel. Thus the students were made to face over again the ignominious fact of the untold millions who are dying without Christ. "Whom shall I send?" "Who will go for us?" Then the awful cry of the spiritually-starved heathen, "Why have you been so long in coming?"

Social Life

Parties? Banquets? Fun? Yes, of course! That's part of the life here at T. C. The first party of the year was a "Get Acquainted" party where the new students lost some of their dignity and joined in the fun.

The next big occasion was the Halloween Party which brought forth many new faces! The fun started in the dining hall but later moved to Safety Harbor via bus, cars, and trucks. After good food, fun, and fellowship, the evening was concluded with a short devotional message.

The students who remained at school during the Thanksgiving holidays really feasted. North Carolina gobblers rested in peace on the heavily laden tables and later in pieces in the heavily laden stomachs of the students.

The Christmas Party brought to an end the festivities of 1954. The huge tree in fancy dress, the gift exchange, and the songs of the season helped to carry out the theme of the evening.

The second semester brought in new students to join us in the fun. The "Heart Pal Week" which was ended by the Valentine Party, was enjoyed by fellows and girls alike. The mysteries hidden behind the surprises found in mail boxes were revealed along with the names of the "Pals" on this evening. The highlight of the party was the crowning of the king and queen.

The state club banquets, the class picnics, as well as the school picnic have all given memories that will long be cherished by each of the students. The games of checkers, scrabble, dominoes, etc. on Friday nights have played their part, too.

The Alumni Banquet was the last social event of the year. Former students returned to their Alma Mater to join the grand affair. The girls in their fanciest and the fellows in their best listened as the old timers related school day experiences. Who said Christians couldn't have fun? The students of Trinity will tell you that the Christian life is the only life!

New Building

An enlargement program is now being conducted to increase the facilities so that even more young people may receive their Christian training in this splendid environment in the beautiful city of Clearwater, Florida, on the campus which overlooks Clearwater Bay and the Gulf of Mexico.

The new building will be a white stucco building, built of concrete blocks, tile, steel and brick. The auditorium will be 70' x 100', being so designed that the lower half of the auditorium will be largely glassed in with jalousie windows so that when they are open it will almost give the appearance of a building without walls, but when the weather is cool or rainy the windows are easily closed. On one side of the building will be the beautiful Clearwater Bay, which is really a scene to behold, and on the other side will be the tropical college campus. On one side of the platform will be a large radio control room for broadcast purposes and for the production of tape recordings by the school. The choir loft will be large enough to accommodate an eighty-voice choir and also the school orchestra.

As a part of, and adjoining the auditorium, will be the new administration building. In this will be located the general offices of the school and four large classrooms. One of the classrooms will accommodate more than two hundred. A large library will be located on the second floor, which will so serve not only as a library but as Study Hall. When this greatly needed building is completed a new day dawns upon an enlarged ministry for Trinity College in the training of young men and young women for Christian service.

The cost of the new building will be kept to the very minimum. It will be modern in construction, yet simple and plain in design. Ordinarily a building such as this would cost more than \$200,000.00. By taking advantage of certain discounts and by using some student labor we have been assured that this building can be erected for \$140,000.00. This includes the seating and other furnishings. This is a considerable amount of money to be raised, yet we are confident that by "prayer and work" the building can soon become a reality.

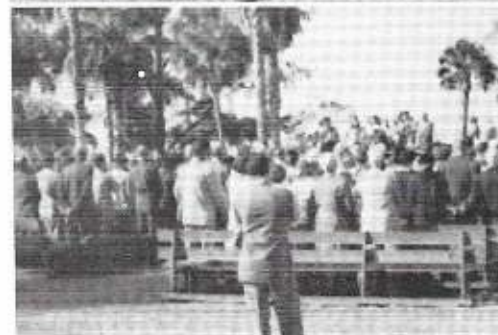

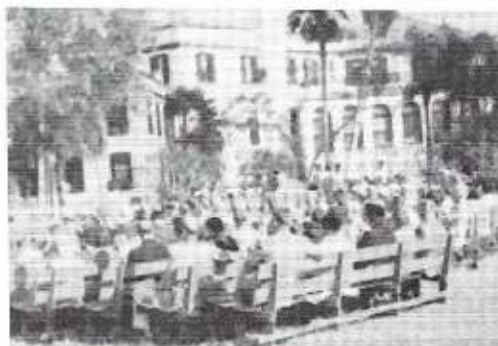

"The walls of Jericho came down by faith, and the walls of the Graham Auditorium will go up by faith," this statement became part of the planning for the new building project.

Early in December, Dr. Watson started the project by a proclaimed day of prayer on the campus. A communion service in the chapel started the day, followed by the united prayers of the students. After a time of prayer, the students stood encircling Dr. and Mrs. Watson as we prayed, claiming the building by faith from the Lord. It was exactly 12:00 noon on December 1, 1954 as the Amen was said on the prayer of thanksgiving to the Lord for the building, as yet unseen in a material way.

On January 9, 1955, the ground breaking ceremonies took place on the site of the new project. Singing, giving, and digging were on the schedule for the afternoon.

At upper left of this page, you will see the students gathered around the President of the school, Dr. Watson, claiming the structure. Below, you will see parts of the crowd on that afternoon, and Dr. Watson as he shoveled the beginning of this much needed addition to the college, and also as he spoke. Clarence Kinzer, who was student representative, is also shown taking his part for the students in removing a bit of earth.

Much is to be done on the Graham Auditorium, but we are confident the Lord will provide in His own way.

State Clubs

PRESENTING!!! STATE CLUBS!!!

From the East, the West, the North, and the South they came. Even from Her Majesty's land of the Shamrock, and the Dominion of Canada they traveled. All had one objective: to better fit themselves to serve the Lord. The enrollment of one hundred and twenty was larger than ever, cheerful and devout.

West Virginia was outnumbered for the first time in the history of Trinity by the OHIO delegation.

State clubs were formed for the promotion of the school and for creating a closer bond among students. Each club will hold a banquet in the early summer for alumni and prospective students. The meetings will be in strategically located places with Dr. Watson speaking. Some clubs will also have projects such as sending out promotion literature, and securing magazines for the library.

The Foreign Students' Club entertained Evangelist Paul Smith and his associate Johnny Ambrose of Toronto, Canada, at the Grey Moss Inn in January.

Others will have banquets, outings, etc. as is convenient. The spirit of the school has been helped by the organization of the clubs and the interest and competition felt keenly.

Seeing that the spiritual warfare in which we are involved is so great, we must reach the world of lost and saved with the hope that is ours in Christ. Every method must be used in doing this job. Another method used at Trinity to do the job is that of the publication of the CHRISTIAN SEARCHLITE, a magazine for the Christian with Trinity news also included.

Early in October, Dr. Watson purchased the publication, and has continued to do the exceptional fine work expected by the subscribers. Ernest J. Tartler is the Associate Editor, and Philip A. Giberson acted as the Business Editor. Both of the latter were students of the school this year, and have been a help in the work of the magazine.

In the above pictures, you can see the little building on the campus where the Searchlite activities are directed. Also, there is a picture above which shows a group of students helping in the mailing work, directed by Associate Editor Ernest Tartler.

Book Shop

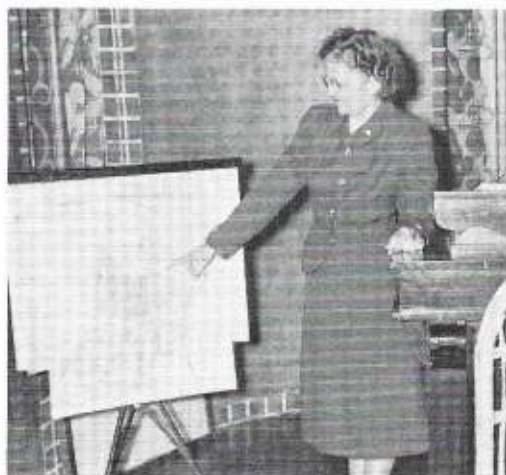

Books of all kinds relating to the Christian library are available to the students through the book shop operated by Mrs. R. D. Burress.

Commentaries, Bible Dictionaries, Bibles, Bible fiction, as well as gifts such as pictures, greeting cards, novelties, etc., may be purchased here. The shop is not a large one, but the books have been chosen and many are the gems found therein. Mrs. Burress has been a help to many in the building the book collections of the students, and her congenial attitude make the book shop perhaps one of the most popular spots at which to browse around.

Prayer Life

And all things, whatsoever ye shall ask in prayer, believing, ye shall receive. Matt. 22:22.

TRINITY COLLEGE has only come into existence as an answer to the fervent, believing prayers of God's children. We fellows consider communion with the Lord in prayer as the strength of Trinity and the Bloodstream of our spiritual environment. God says, "If my people. . . shall humble themselves, and PRAY, and seek my face. . . then will I hear from heaven" (II Chron. 7:14). We have proved time and time again, that he heareth us, and will answer our every plea.

Every Monday night the strains of songs like "Sweet Hour of Prayer" or "Standing Somewhere in the Shadows" beckon the girls to the library where they gather for a time of fellowship in the Lord. The Scriptures are read, testimonies of praise are given, and the definite requests for prayer are taken before the Lord.

These prayer meetings prove to be times of real spiritual blessing, and the Lord works out marvelous answers to problems and needs. Prayer is powerful and it does change things.

Library

The usual sign, "Silence!" and students are quietly, yet busily working with several books. Such a scene could be found in the Library of Trinity College.

In memory of Miss Clara Teets of New York, her brother, Mr. H. M. Teets, gave a sum of money for the start of a Library at Trinity College in its early years. It is therefore called the Clara Teets Memorial Library.

Throughout the years, Trinity's growth has been felt also in the Library. Many friends of the school have given books and money to the cause of building. This year a special effort has been put forth to increase the number of volumes contained therein. When the new Administration Building is completed it will provide a space for a new Library.

In the Library are fiction books, language books, great literary writings, biographies, commentaries and other reference material. Here in quietness of study, the Lord has spoken to many hearts as the person worked earnestly on thesis, book review, or perhaps a sermon.

Mrs. Edith Myers has been the Librarian in charge. Her help and guidance for students in their work is appreciated.

Correspondence Course

To accommodate those who are eager Bible students, but who are unable to attend classes at the school; Trinity College offers a very helpful and inspiring Correspondence Bible study course. This arrangement for study is ideal for helping the Christian in studying the Word of God, and in becoming a more effective soul winner. Many of the patients in the tuberculosis sanitarium in Beckley, West Virginia are students of this course.

There are five major parts in the course: The Bible, Bible Doctrine, Fall and Redemption of Man, Faith and Repentance, and Christ and The Early Church. It is especially designed to impart to the Christian knowledge which will be a good foundation on which to build, so false doctrines will never lead him astray.

To complete the course one may need only a few weeks, if enough time is spent in studying; or one may take several months to finish, depending upon the study habits of the person. As each section is completed, it is sent to the school. It is carefully graded and returned. This year Mr. James R. Lilly has been director of the course. Besides the knowledge that the student obtains, he may find further reward in the help received in leading some soul to accept the Lord Jesus Christ as personal Saviour. This is not all. Upon the completion of the entire course, the student receives a certificate which will entitle him to fifteen semester hours credit at Trinity College.

The cost of this helpful and incomparable course is \$10.00. This covers the cost of the notes, the grading of the papers by school instructors, and the attractive certificate.

The divisions of the course and their coverages follow:

- I The Bible -- The Word of God
In this section, the study of the origin and history of our Bible, the great division of the Old and New Testaments, and the ways and methods of efficient Bible Study are taken up for meditation.
- II Bible Doctrine
The many great doctrines of God's Word, including the doctrine of Jesus Christ, the doctrine of the Holy Spirit, and other subjects concerning doctrine are discussed.
- III Fall and Redemption of Man
The origin of man, the fall, the story of redemption as provided in Jesus Christ, the new birth and the Christian Life, are all part of this division.
- IV Faith and Repentance
This is a study of the plan and purpose of salvation. A portion is devoted to methods, and ways of doing personal evangelism, which is definitely a help in winning souls.
- V Christ and the Early Church
The study of the life of Christ, and the history of the early church and its leaders, is included in this fifth section of the course.

School History

Let's take a trip! Back through the years--the twenty-three glorious years of Trinity's existence as a school for training Christian Youth to do a real job for God.

Settle back and make yourself comfortable as we take a look at the man at the helm, our President, Dr. William T. Watson. In 1932, as a young man, he had an ambition in his heart to build a school from whose halls would go out streams of wonderful, lovable, spirit-filled Christian youth, carrying the Gospel to all the world. Fired with such a zeal, he launched out on this venture of faith.

With little financial backing, Dr. Watson purchased a swank country club which had been built during the ill-fated Florida boom. This club was located at Temple Terrace near Tampa, Florida. Thus the plush Temple Terrace Country Club was converted into the Florida Bible Institute. It was said of the place there was not a board in it which had not been danced on, but when it became a Bible Institute, there was not a board which had not been prayed on.

The Florida Bible Institute remained in this location until 1943, when it was moved to St. Petersburg. This was convenient in the war years.

Travel back through Time to 1947. The Lord led Dr. Watson to "lengthen thy cords and strengthen thy stakes," and the Florida Bible Institute became a full fledged Bible College. The name Trinity College was adopted and an enlarged faculty and curriculum were ready to offer more opportunities for Christian training.

But there was yet another move in God's plan for Trinity. In 1951, the Lord provided the present site for the college in Bellaire on picturesque Clearwater Bay. He gave Dr. Watson another fine country club to "convert." This one, a gambling casino where fortunes were lost nightly, has become a chapel where "unsearchable riches" are gained daily.

Has Dr. Watson's early ambition been realized? The Gospel has been taken to Africa, India, Bahamas, South America, Islands, West Indies, Alaska, Virgin Islands, Cuba, the Azores, to Europe, Canada, and to Korea as well as all over the United States of America by the hundreds of consecrated alumni who proudly represent their Alma Mater.

Thanks be unto God for a man with a vision, for a college standing true to the Word through the years. May Trinity's future be more glorious.

Beacon Staff

Seated, left to right: Bobby Reed, Asst. Editor; Ken Moon, Art Editor; Mrs. Mary Lilly, Advisor. Standing: Lloyd Melhorn, Photographer; Lewis Clark, Business Manager; John Corts, Editor.

Thankless and trying is the job confronting the Beacon staff as they begin from the opening week of school to produce the yearbook of Trinity College.

The project could not be complete had it not been for the support of the student body, to whom we are grateful for their help and cooperation. We are thankful too, to the school, Dr. Watson, and Mrs. Lilly for their patience and understanding attitudes:

Much time, energy, and enthusiasm have been put into the producing of this book. Long hours and neglected studies were not uncommon in the struggle to meet deadlines. (Deadlines--a word which became a nightmare to all of us concerned) Grey hairs have no doubt multiplied. It has been a long, hard, and difficult task, but the staff has worked as unto the Lord with the hope that the results of the labors will be in the salvation of souls.

A Trip Around The Campus

Many pictures revealing the Floridian beauty of our school appeal in this book. Come now, and let us take an educated trip around the campus.

Left: Approaching the school on scenic Druid Road in Belleaire.

Right: Your first glimpse of the school, once used of the world, but now as a Christian training center.

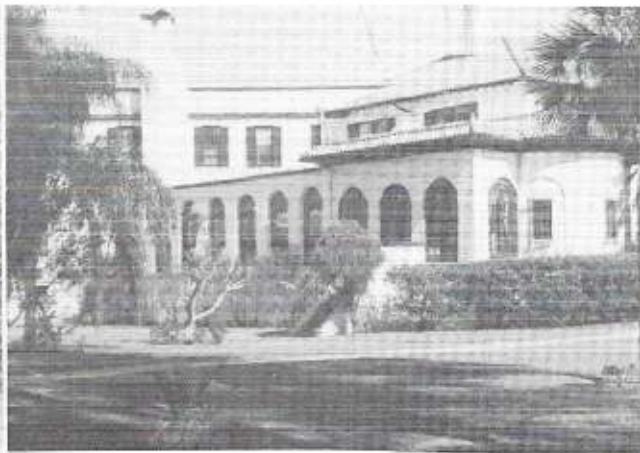

Above: Not all will be so fortunate as we in meeting Dr. Watson, the busy President, at the entrance gate.

Left: The door of the school representing the entrance of a new type of life. Through the doors of the school many opportunities will become ours.

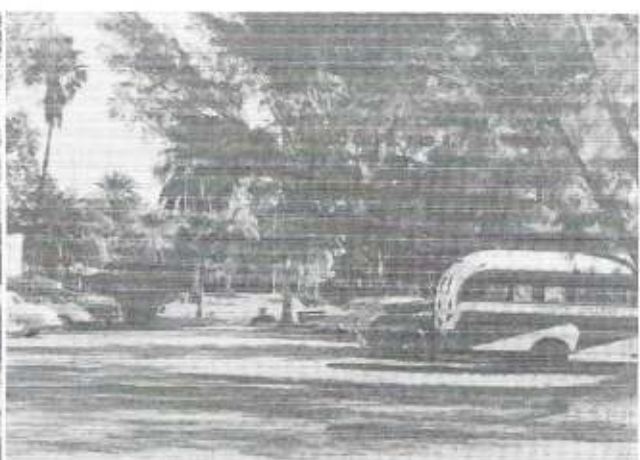

Looking toward the outdoor auditorium from the main walk, viewing the evergreen beauty on campus.

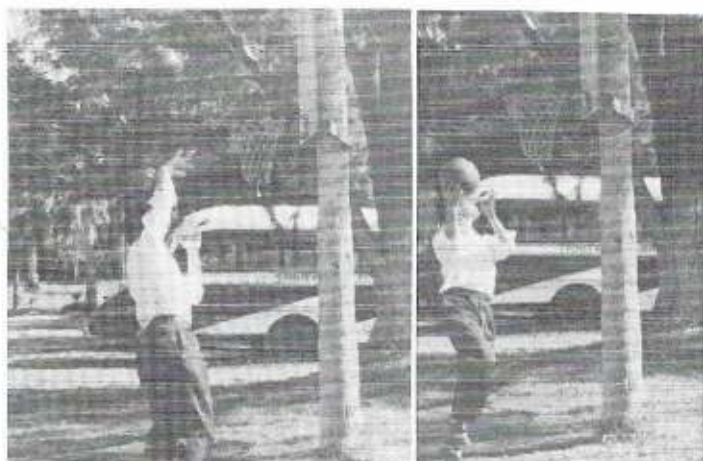

In the driveway now, we see the Snack Shop and Rainbow room of the school.

Progressing along into the driveway, here are two different shots of the same Rainbow stairway.

Moving through the parking lot and now looking back, we catch a familiar Trinity sight of the school's bus at right.

Varsity Style? Well, not quite, Students' play every Thursday afternoon on campus.

The school as it looks from the end of the parking lot.

Standing on the open field where football sometimes boom, this is another picture of the main building.

Beautiful Clearwater Bay can be seen from the waterfront on the school grounds.

Not an uncommon sight, is that of students sitting near the waterfront meditating and fellowshipping over the Word of the Lord.

At the right, the wing which houses the young ladies can be seen, with Giberson's Manor, Men's Dorm #2, pictured to left in shadows.

Pilgrim Hall -- the Men's Dormitory building.

Moving around behind the Dorm, we happen to find two busy young men at work. This too is a common sight to see around the campus.

The fountain and seats left as a memorial of the Class of 1953-54.

The entrance to the sunken lounge.

This little building houses the Trinity College magazine, Christian Searchlight.

Will you join us? Then unpack and become part of our Trinity family.

Alumni Hail! To Green And Gold!

"An alumnus is a person who has been exposed to the benign and stimulating teachings of his college or university, and who continues to REFLECT its influence throughout his life."

Through the years many students have gone out from the halls of Trinity College as soldiers going forth to battle, for it is a warfare against Satan and his forces. As men prepared for war, they are shod with the gospel of peace to tell others at home and abroad that Christ died for them.

Orland H. Corwin '34, and family have been laboring for many years in Colombia, South America under the South American Indian Mission. Howard and Rene Corley Street '37, '38 are continuing to give out the "old story" in Belgian Congo. They are due for a visit home soon. Mary Crivelli, R. N. '52, continues to hold clinic every day, riding a bicycle to the different settlements throughout Sims Island in the Bahamas, giving out the gospel as she administers medical help. Jack Brotherton and family are now home on furlough from the field in Bere, French Equatorial Africa under Sudan United Mission, where they have been working for twelve years. Don Luttrell '51, and wife are again in Puerto Rico helping to spread the Work in the West Indies.

On the home front, many are wielding the sword of the spirit against the enemy---the Devil. Frank and Vivian Miller '51, plod up the steep mountains of West Virginia, sometimes on foot, to tell boys and girls that Jesus loves them. They have established many Sunday Schools under the American Sunday School Union. Joe and Marjorie Preston '53, are diligently studying linguistics and Portuguese before flying to the land of Brazil. Fred and Bettye Boldt '50, have Cathedral Caravan #2 and are giving out the gospel from the open end of their house trailer throughout the United States. Captain Charles Massey Jr. '38, and wife Emily Cavanaugh Massey '39, are in Alaska. Charles is Army Chaplain at Fairbanks near the North Pole. George and Mary Ann Alexander '32, '34, are living in St. Petersburg, Florida. George is busily engaged in Greek evangelism in the peninsular area. Grover Ausburn '48, is directing Youth For Christ groups in northeast Georgia, also is chaplain of the Georgia Industrial Institute.

Many graduates are raising the shield of faith and preaching the Word from pulpits in many sections of our Land. Howard Rich '37, who is president of our Alumni Association, pastors the Unaka Avenue Baptist Church in Johnson City, Tenn. Joe McLeod '42, is

pastor of the First Baptist Church in Shoshone, Idaho. Roy Gustafson '37, is doing Bible teaching throughout this country, Canada and foreign lands. Evangelyn Hicks Tompkins '45, and husband are pastoring a church in Canaan, N.H. Hobart Parrow '51, has the Monterey Baptist Church in Beaver Dam, N. Y. Mrs. D. E. Luttrell '51, whose husband is pastor of Calvary Baptist Church in Bradenton, Florida, helps him in his work and is teaching in local Bible clubs. Mary Ann Hurley '53, is Mr. Luttrell's secretary. Byram H. Glaze has a growing church, Calvary Baptist, in Columbus, Georgia. His Assistant Pastor is George White '53, and his wife Naomi Corts White '53, works in the church office. Alfred Tracy Jr. '50, is ministering to two Methodist Churches in Jewett City, Conn. Howard Thompson '45, recently organized a new church in Sarasota, the Beverly Terrace Baptist. F. N. Brotherton is pastor of the Trinity E. J. B. Church at Chesley, Ontario, Canada. Lyle and Marilyn Hoag '51, are pastoring Haslett Baptist Church in Haslett, Michigan. Melvin Shultz '51, ministers to the Bethel Methodist Church near Lancaster, Pa. Thomas Black '49, recently opened a new church in St. Petersburg, Fla. -- "Christ Evangelistic Chapel". Orpha Roach King '41, and husband are doing evangelistic work around York, Pa., also radio evangelism. Ralph Kyle is now building his fifth church, Scott Boulevard Baptist in Decatur, Ga. Bob Godfrey '37, who is Vice-President of the Alumni Association, is Baptist Area Director of West Virginia and has held the position for many years.

The Bible says "teaching every man in wisdom" and so Lorence Asman '47, is a member of the faculty of Grand Rapids Baptist Theological Seminary and Calvin Thorpe '51, is President of Lansing Bible Institute in Michigan.

In these days there are so many new channels for giving out the gospel, many alumni are using them, for instance, L. T. "Bud" Boldt '50, who is in charge of Billy Graham Evangelistic Films Southern team, covers twelve states with the latest Graham films witnessing many conversions. Hazel Averill Cannon '40, found Camp O' The Suwannee, a Christian youth camp, meeting the needs of youth today, near Branford, Fla. Alma Catlett '50, is director of the youth and children groups of eighteen churches in Kentucky. Denia Eschevarria '52, is Child Evangelism director for Tampa, Fla. Phyllis Hull Goff '51, teaches a Child Evangelism Teachers Training Class in Charleston, W. Va. Elsie Moody Page '51, is Director of North Carolina Pentecostal Holiness Youth Societies. Mary Louise Hayward Beattie '38, teaches in a Junior High school in Wheaton, Ill. Marjorie Hayward Lindner '34, works with her husband who is public school evangelist for Rural Bible Mission in Michigan. Beth Doyle Mount

Howard Rich

Roy Gustafson

Joe McLeod

Bob Godfrey

Mary Ann Hurley, Dr. and Mrs. D. E. Luttrell

'47, is doing Christian writing. Belle Tiger '53, is doing evangelistic work in western Pennsylvania. Mr. & Mrs. Luther Martin were broadcasting daily to the Michigan area until sickness overtook Mr. Martin. Elmer and Jane Colvin Shertzer '53, are doing Sunday school work and supply pastoring in Pennsylvania. Abram Forry '51, has a Bible club and youth meeting near Lancaster, Pa. Arleigh and Ethel Hoefler '44, started a thriving church at Perris, Cal. John and Shirley Mikkelsen Ott '51, are continuing their schooling at Tennessee Temple. Mildred McLean Lanier '40, is doing nursing Lumberton, N. C. Kathlene Love is teaching Sunday School in Statesville, N. C. John H. Cook '49, is in school at Concord State Teachers College in West Virginia and doing children's work. Kathryn Hull '53, continues her schooling at Akron Bible Institute in Ohio. Bill and Sammie Hess '43, '44, are working with the youth in a Baptist church in Youngstown, Ohio. Freda Walton Clements '53, helped with Youth for Christ in St. Petersburg and is Secretary of the Alumni Association. Florence Greeson Ernst '45, is a faculty member at Trinity College. Rex and Mary Siegenthaler Lilly '51, '45, are on the faculty and staff at Trinity this year.

The Alumni Association has many plans for the future that will help to bring us closer together in spite of our far flung fields of service.

A few members of the alumni took charge of all classes here during the week of January 24th.

New state chapters of the association are being organized in many places. West Virginia has had one for about three years. In November, Florida organized their chapter, meeting here at the college for dinner and a business meeting. L. T. Boldt is President, Wendell Phillips is Vice-President and Mary Ann Hurley is Secretary.

... In all these things we are more than conquerors through Him who loved us."

Rom. 8:37.

Throughout this book, we have tried to show how students learn to use their armour of the christian's life. The shield of faith in prayer, the mighty sword of the spirit, the foundation of the preparation of the gospel of peace, the breastplate of righteousness, and the love of the truth surrounding us---all these are to no avail unless we go forward in the strength thereby provided.

Faith has been the sustainer of the saints down through the ages and was the great victor in battle and in living. The powerful Word of God is our hope for seeing conviction of sin by the Holy Spirit as our fathers have seen it. Our preparation in the gospel equips us to give forth the message that Christ is the answer to a perplexed, world of darkness. The breastplate of righteousness and love of the truth will enrich our lives as well as protect us as we face the life of helping troubled heartbroken souls. Thanksgiving and exalted praise will flow from our hearts as we think of Christ at Calvary where we see the helmet of salvation provided. Yes, we have a mighty preparation for battle, but it is not enough to be prepared, we must get in and work now while it is yet day. Strength, enthusiasm, and earnestness of heart, we must wield the sword courageously, tirelessly, yet humbly, that we exalt the Christ whom we love and through whom we are more than conquerors.
