FOREWORD

Through much prayer and hard work we, the members of the annual staff, are proud to present the 1963 Beacon, trusting that it may be a blessing and memorial of your year spent at Trinity and Fenway.

As we have tried to uplift Christ throughout these pages, it is our prayer that each heart will be challenged to the propagating of the Gospel to those yet in darkness.

Dedication

"Where sin abounded, grace did much more abound," was wonderfully demonstrated when God wrought a work of grace in the heart of Dr. Alvin J. Cook. Transformed from the glitter of the theatrical life to the glow of the Christ life clearly describes this work of grace. At the age of twenty-five, between his junior and senior year of college, he came to realize that the key to success was not the keyboard of a piano, but Christ, who holds the key to eternal life. Since then his life has been dedicated to Christ and the furtherance of His kingdom.

We at Trinity College praise God for giving us a man of his intellect and caliber. The imparting of his vast knowledge in Greek has enriched many a life in the deeper study of the New Testament, and his principle of grace frequently applied to undeserving students such as we, has been deeply appreciated.

To this beloved man of God, we dedicate the Trinity Beacon of 1963.

STATEMENT OF FAITH

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.

2. We believe in one God, eternally existing in three persons, Father, Son, and Holy Spirit.

3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.

4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.

5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.

6. We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and His present life there for us, as High Priest and Advocate.

7. We believe in "that blessed hope," the personal premillennial and imminent return of our Lord and Saviour, Jesus Christ.

8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

Class Prophecy

"Excerpts taken from a telephone conversation, June 20, 1974"

Dr. W. T. Watson, President of Trinity College

Dr. William Robinson, President of Alumni Association.

"Hello--Dr. Watson?"

"Yes?"

"This is Bill Robinson calling from Bunita, Republic of Congo."

"Well, Bill! How are you? We have been thinking about you as you travel and trust that the Lord has blessed and given a good trip thus far. My, you sound as if you are calling from next door."

"I'm calling by way of Telstar. It certainly has improved communications these days, hasn't it?"

"My, how the times have changed since you were in school. Well, Bill, tell me about your trip. ----Hold on a minute, I'll get a notebook and pencil ---- now then."

"I've had such a wonderful trip, Dr. Watson. I'm sorry it has to end so soon. Let me give you a brief resume of the visits made with the classmates of '63. I really ought to begin with those in the homeland whom I contacted before leaving for the fields."

"Fine, Bill, I'll just take a few notes as we talk."

* NOTES

Larry Smith holding nationwide meetings in Canada -- great blessing and fine crowds in the meetings.

Dr. Russ Bailey -- has a music studio in Brunswick, Maine -- teaching and composing music.

"Well, good."

Visited Pat Marsico in Ocean City -- running the Boardwalk Bible Book Store. Has a fine family.

The Bekdens have an orphanage in Michigan -- Christian Orphanage of South Michigan. Seeing much being done for the Lord.

"Well, amen!"

Stopped to see Bill and Nancy Kline in Mehoopany, Pa. -- have a fine little church and family of five.

"I had the joy of speaking in Dr. Michael Gregory's church, Park Avenue Baptist in New York City. Had such a fine time there -- it is a great testimony."

"Fine! Have you heard from Mr. and Mrs. Hosts at all?"

"Yes, Dr. Watson, I received a letter from them telling of their immediate plans to go on an evangelistic tour of the Islands. You remember that Fred was down there in the summer of '62."

"Well, that's wonder ul. Who else did you see?"

Dr. Wayne Smith has started a Bible school in Pa. -- 200 enrolled for the first semester.

Jacqueline Riley is counseling in Dr. Wayne Smith's Bible school in Pa.

"Rev. and Mrs. Ronald Hawkins, of course, are still working in the Circle J Ranch in Pa, where you visited last year. They spoke of great plans for the summer and many children are being reached through the camp."

"Well, amen! I was out west when you were here at the college, but I understand that you had some fine meetings."

"Yes, Dr. Watson, some of the pastors had already come for the summer refresher course, and our class was well represented in that. I met with all of the '63 alumni who are working in Florida at the same time."

Joanne Morgan -- serving as Child Evangelism Director of southwestern Florida -- fine family of four boys.

Rev. James Allen, Rev. Raymond Baker, Rev. Vernon Bass, and Rev. John Gallups were present for the Pastors' Refresher Course -- each gave report of blessing in their churches.

"Wonderful, Bill. Who else was there from your class?"

"Let me see -- Oh, yes, Rev. and Mrs. Lambertson and family of six, were up from their work among the Seminole

Indians. Sunday schools and churches are finally being established on their reservations."

"Good!"

Joanne Detweiler and family -- up from the church in Sarasota -- fine reports of church growth.

Martha Farmer over from Camp Gilead -- serving as camp director.

"Did you leave from there to go on your trip abroad, Bill?"

"Yes, I did. I flew from Miami to Haiti on June 2nd, where Larry Seaward met me at the plane. Larry and his wife are doing a fine work in the Gospel Press of Haiti. We spent a few days distributing literature on the island, then I took a boat to St. Croix."

"That's where Sharon Lyons and her family are, isn't it?"

"Yes, Dr. Watson, we had such a good time with them. The need of this island is certainly great. We had a fine time of fellowship."

"From there you went . . ."

"Flew to Chile, South America, on June 7th -- visited Rev. and Mrs. Billy Haslam -- have a great ministry in the mission church."

"By the way, Bill, I received a letter from Esther Springler, just yesterday. She reports real blessing in the work there in India. I don't believe you were going to be able to get over to see her on this trip, were you?"

"No, Sir, I wasn't able to get to India, but we're glad for the good report, I trust she and the family are fine and happy."

"Now, from Chile, you . . ."

"Flew to Australia by supersonic jet. Dr. Charles Linville and his wife met me at the airport. Charles is operating a bookmobile with which he has literature distribution drives throughout Australia. They have three children in a mission school."

"Well, amen, Bill, sounds like real work is being done for the Lord. How long were you with the Linvilles?"

"I left Australia and flew to the Republic of Congo on June 14th. Rev. Lester Harris met me at the plane and we drove 200 miles to Rethy, the mission station where the A.I.M. School is located. Here we were welcomed by a number of our '63 grads who had gathered for an African meal prepared by Mrs. Harris.

Rev. and Mrs. Roger Hogle came from their work in Kenya. Cathy Jordan, serving in Tanganyika, was present, Ruth Hopkins from Congo and Dorothy Stephenson from Congo, each with fine families were also present.

"We could have started an African branch of Trinity out here. It was wonderful to have the time of fellowship with these classmates, and to see how the Lord has guided each one. We took a trip into the bush country and saw something of the great need of these people. I learned to eat ants and grasshoppers from Dottie Stephenson. After almost a week here in the Congo, I'd love to stay longer, but we all drove over here to Bunita, where I am to leave. Each one will return to his place of service from here. I truly thank the Lord for the way He has led each one of our class."

"Well, amen! He promised that He would, didn't He, Bill?"

"Yes, Dr. Watson. He has been faithful and has taken our class almost around the world in His service. I had hoped to be able to stop and see Claudette Dufresne and her family in Lebanon. The work in the hospital there is going well, according to her letters."

"When are you to arrive in Tampa, Bill? I'd like to go to meet you. It certainly was nice of you to call."

"I'm flying non-stop, so I'm scheduled to arrive in three hours and ten minutes." *

JAIL MINISTRY

It is truly wondrous to behold the transforming work of grace in lives changed from darkness and sin. We who go forth each Sunday evening to the Pinellas County Jail do not go with fear and trembling, but with the assurance from the Word of God that, "My word shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it" (Isa. 55:11).

Gra-Y Clubs are for young boys who desire fun and fellowship while being coached in athletics. They are held on local school grounds, sponsored by the Y.M.C.A. Because of the faithfulness of the Gra-Y leaders, many young boys have made personal commitments to Jesus Christ at ages when they are most receptive. "Let's Sing"

"And Paul went everywhere preaching the Gospel."

"We helped with the story"

Good News Clubs are an outreach of the Child Evangelism Fellowship. Students of the Child Evangelism class go out into the Christian homes each week, telling the good news of Jesus Christ to boys and girls, many of whom never go to Sunday school or church. C. H. Spurgeon once said in one of his sermons, "A child of five, if properly instructed, can as truly believe and be regenerated as an adult." We believe very definitely that children can be saved because Jesus said in Matthew 18:14, "Even so, it is not the will of our father which is in heaven, that one of these little ones should perish."

TRACT CLUB

It is marvelous to see the message of redemption go forth by the medium of the printed word. Students in Trinity College Tract Club have a dedicated interest in seeing people find Jesus Christ as their personal Saviour, and to see their hearts and lives brought from darkness into light. The Tract Club carries on active distribution of the Gospel literature in Clearwater and the surrounding area.

FENWAY CONFERENCE

Trinity College and Fenway Academy were privileged to have many noted Bible expositors, singers, musicians, and missionaries during the conference season. God-inspired messages have been a challenge to those in attendance during the conference.

CONFERENCE

Dr. D. R. Hubbard

"How shall they call on him in whom they have not believed? And how shall they believe in him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach, except they be sent? As it is written, how beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!"

Great Commission Missionary Fellowship is the response of Christian students to a deep conviction that the command of Christ, "And ye shall be witnesses unto the uttermost parts of the earth," is yet God's will. Our one great task is to "preach the Gospel to every creature." Every Christian has a personal responsibility in God's great world-redemptive program, whether at home or in foreign service.

"There's only one way this lost world can know,
That Jesus for sinners hath died.
To spread the glad tidings He's bidden us go,
And no other way doth provide.
If Christ's first disciples had silently gone,
And been to their great trust untrue,
God's plan of salvation we could not have known --
His mercy for me and for you.
Tell others what Jesus has done for your soul,
Of sins through His blood washed away;
And bid them on Him every burden to roll,
And taste His salvation today.
Dear Master, we hasten the story to tell,
And pass on the life-giving Word;
Then they must tell others, and they, others still,
Till all the glad message have heard.
He's counting on us the story to tell,
His scheme of redemption for man;
He's counting on you; He's counting on me,
The Master has no other plan!"

MARRIED
STUDENTS

A decorative calligraphic design featuring the words "MARRIED" and "STUDENTS" in a bold, black, sans-serif font. The text is arranged in two lines, with "MARRIED" on top and "STUDENTS" below it. To the left of the text, there are two overlapping circles. To the right, there is a large, stylized, curved shape that resembles a letter 'D' or a similar form. Several thin, black lines radiate outwards from the central text area, creating a starburst or sunburst effect.

The Trinity population is continually growing as married students return to complete their Bible education, bringing with them "future 'Trinity-ites.'" The married couples and their families live off campus but are close by and have an active part in life at Trinity. It means real sacrifice and hard work to go to school and share the responsibilities of marriage, but the Lord gives the strength and supplies all needs. The students can heartily testify to His wonderful grace and power as they trust Him and prepare for His service.

MATT. 18:20

The Wives' Fellowship meets the first Thursday of each month, and then the wives have an opportunity to become better acquainted, to discuss problems and to fellowship together. After the business meeting there are always devotions, with a Scripture reading, prayer requests and a time of prayer and praise, with everyone participating.

Those elected as officers of Wives' Fellowship for this year are: Maxine Hawkins, President; Amy Houts, Vice-President and Devotional Director; Vicky Baker, Secretary-Treasurer; and Linda Price, Missionary Secretary.

Jn. 9:4

In addition to the regular meetings, the wives also get together once a month to have a "workshop" meeting to work on their various projects. Stamps are collected and cut out to send to missionaries who use them; pillows, stuffed animals, etc., are made to send as gifts; and necessities such as soap, toothpaste, adhesive tape, etc., are put together to make up a box to send to a Trinity missionary family on the field. All have a good time of fellowship working together for the Lord.

Dr. and Mrs. Watson joined in with the young couples at their social, "Sweetheart Splendor," with a Valentine theme. Not only do the married students pray and work together, but they also get together occasionally for an evening of fun and fellowship. The committee, consisting of Loretta Haslam, Nancy Kline, Sharon Reaves and Amy Houts, did a commendable job of organizing the event, and all who attended had a thoroughly enjoyable time. Dr. Watson brought a very appropriate and inspiring devotional after an active session of games and choruses. Refreshments of cake and punch were served, and all went home happy and lifted in spirits. What joy it is to fellowship in the Lord!

OUR SCHOOL

Fenway Academy, a division of Trinity College, is a Christian high school dedicated to the training of youth for the service of our wonderful Savior, Jesus Christ.

This, the second year of the Academy, has been a glorious year. It approaches the conclusion with both happiness and regretfulness. We have made many new friends and together have established a greater fellowship with the greatest Friend. We have come to a better understanding of our world and recognition of the great Creator; yet we look to the future with ambition and expectancy knowing that we will see many marvelous works performed by our Heavenly Father.

We, the students of Fenway Academy, greatly appreciate our dedicated and interested teachers. We are extremely thankful that God has directed our lives here to train our minds, develop our talents and establish our faith on a firmer foundation so that we may better prepare to withstand the onslaughts of the enemy.

Within this book are found the precious memories that we cherish and with them we march forward to greater accomplishments for a truly powerful, yet loving Savior.
