A photograph of a sunset over a body of water. The sky is filled with dark, dramatic clouds, some of which are illuminated from below by the setting sun, creating a golden glow. The sun is positioned near the horizon, casting a bright light across the sky and reflecting on the water's surface. The water in the foreground is dark with shimmering highlights from the sunset. In the distance, a dark silhouette of a mountain range or coastline is visible against the horizon. A library stamp is printed across the middle of the image.

Dedication

It was not the magic of the magician's wand that brought Rev. and Mrs. Earl E. Collins to Trinity College, but the guiding hand of a loving Father. Coming from a pastorate in New Castle, Pennsylvania, we have had the privilege of having them with us for the past three years, filling positions in the office and class room, as well as Dean of Men.

Rev. and Mrs. Collins have been instrumental in organizing new churches, along with a ministry with children and young people. He has taught students how to miraculously pull scarves out of a hat in Gospel Magic, and has instilled upon our hearts the miraculous saving power of Jesus Christ, when a soul has been born into the kingdom of God, and the wonderful privilege that is ours in giving forth His Word.

It did not take the vote of 30,000,000 young people who do not attend church or Sunday School, but the unanimous vote of the senior class to decide to dedicate the 1964 "Beacon" to Rev. and Mrs. Collins.

DR. W. T. WATSON
President and Founder

To the Class of 1964

Dear Seniors:

This message is to you, who are graduating from Trinity College and also to those graduating from Fenway Academy. You, each of you, have a Big Place in our hearts. We are thankful our Heavenly Father directed you our way.

Many lessons you have learned well, both in and outside of the classrooms. It has been more than a delight to see you grow in spiritual stature. The faculty and Board unite in Thanksgiving for what has been accomplished in your life while here. It has been a "seed planting" time. We are expecting a harvest of fruit as you go forth into the field of Christian service. Remember, the Lord giveth the increase.

Those of you, in each school, who have made the President's List, I extend special congratulations. Yours has been a noble example to others.

Wherever you go, Trinity graduates, some into fields of Christian service at home, others abroad, may our hearts be bound together and at all times may you have a deep sense of appreciation for your Alma Mater. Wherever you are, there is a part of Trinity College. Pray for Trinity and others who follow in your footsteps.

To Fenway graduates . . . of course we trust you will be back with us at Trinity, to continue your preparation for Christian service. You already know "Trinity" and the spirit of the two schools. May our Lord guide you.

To all students . . . May His best ever be yours, and your best ever His.

Yours for Youth,

W. T. Watson, President

Trinity College

Trinity College is not just another school. It is the outgrowth and culmination of many years of school work done by the Florida Bible Institute. The demand today for college work with additional subjects not usually taught in a Bible school and an enlarged curriculum preparing youth for effective Christian work, is the reason for Trinity College. We major in Christian Education and grant proper degrees to those completing the courses offered by the college.

"Training for Christian service" has always been our slogan and will continue to be in the future. This is a national institution with students coming from many of the states of the union and some other countries.

The school is interdenominational in character and evangelical in spirit. In its stand for historical Christianity, Trinity College is fundamental in every respect. Many of the world's leading evangelical preachers and Bible expositors have spoken in the school conferences and classes.

Approved

Approved by the State of Florida. Chartered under the Laws of Florida. Approved by U. S. Veterans Administration for G. I. training. Approved by U. S. Department of Justice to train foreign students. Trinity is a member of Southern Accrediting Association of Bible Institutes, Bible Colleges and Bible Seminaries. Credits accepted by leading Christian Colleges and Seminaries.

Doctrinal Statement

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.

2. We believe in one God, eternally existing in three persons, Father, Son and the Holy Spirit.

3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.

4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.

5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.

6. We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven, and His present life there for us, as High Priest and Advocate.

7. We believe in "that blessed hope," the personal, pre-millennial and imminent return of our Lord and Saviour Jesus Christ.

8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

CHARTER MEMBER SOUTHEASTERN FOREIGN MISSION FELLOWSHIP

The Great Commission Missionary Fellowship has sought to emphasize the scope of missionary interest that should be held by every person who knows Christ as Savior and Lord. This scope of interest was best defined by the Lord of the Harvest, Himself, in Matt. 13:38. "The field is the world." We who serve the Lord of the Harvest seem to place imaginary boundaries upon His concern for souls around this entire world by focusing our total attention upon one people or country. The Great Commission, the Harvest calls, the warnings of judgment, and the pleas for souls from the pages of God's precious Word, places the Christian's missionary interest on a world wide scale.

"Lord, lay this world upon my heart and love this world through me, and may I humbly do my part to win this world for thee."

The G.C.M.F. is divided into prayer bands for specific prayer needs but while praying for one country or people, the needs of the entire world should be laid upon each heart. Prayer is the life line of every missionary and we are called upon to do our part.

This year, for the first time in the history of G.C.M.F., we set a goal of one thousand dollars to be met by the end of this school year. This was strictly a faith venture on the part of the students, and the pledges have been wonderfully met by answered prayer. Our desire is that this money may be used to reach a people who have never heard the gospel message.

THE TROJAN

Dedication

Do You Know . . .

. . . the teacher who wears
a bright smile,
and whose love of humor
could not but force a smile
from those around her?

Do you know a teacher
whose excellence inspired you
to new achievements
in the course she instructed?

If so,
you know Hazel Boyington.

She has taught
English, Psychology,
Speech and journalism
at Fenway for the
past two years.

To this teacher
of prolific achievement
we gratefully dedicate
the 1964 Trojan.

We dedicate the 1964 TROJAN
to a teacher of great spiritual depth,
of Christian understanding,
and of keen academic vision,
Who has given timely Christian counseling,
valuable scholastic help,
In appreciation of all that she has done for us
. . . to Mrs. Hazel Boyington.

Foreword

Memories of another year are fast fading away. Some are almost forgotten while others remain forever in the minds and hearts of the students.

Now as the third year of the Academy comes to a close, we of the yearbook staff would like to bring back those forgotten memories and make the events of the past year live again.

We invite you to enjoy with us a few "close-ups" into life in the Fenway Academy. Each daily experience adds a brush stroke to the painting of our past and future. It is our hope that your many "close-ups" of life at the Academy will help to complete lives of satisfaction and success.

We pray that God's name and He alone was glorified in the past year and shall be in each year to follow.

A photograph of a sunset over a body of water. The sky is filled with dark, dramatic clouds, some of which are illuminated from below by the setting sun, creating a golden glow. The sun is positioned near the horizon, casting a bright light across the sky and reflecting on the water's surface. The water in the foreground is dark with shimmering highlights from the sun. In the distance, a dark silhouette of a mountain range is visible against the horizon. A library stamp is printed across the middle of the image.
