Foreword

As those of us, in order to have produced this 1968 BEACON, joined hearts and minds – even so have we witnessed the great mystery of The Church – the working of each member within our Student Body to perform His particular task to help furnish that “more perfect building,” The Church.

So that Christ may build His Church, a building that is fitly framed together and shall not perish, the Holy Spirit must perform His ministry in our lives and extend to each of us the importance of His particular task.

In this annual, we, the 1968 BEACON Staff, have endeavored to portray for you the life of our college and present to a better cognizant, the production of this “building” which is fitly framed together – in short, the unique ministry of the Holy Spirit in the lives of the students of Trinity College during this year.

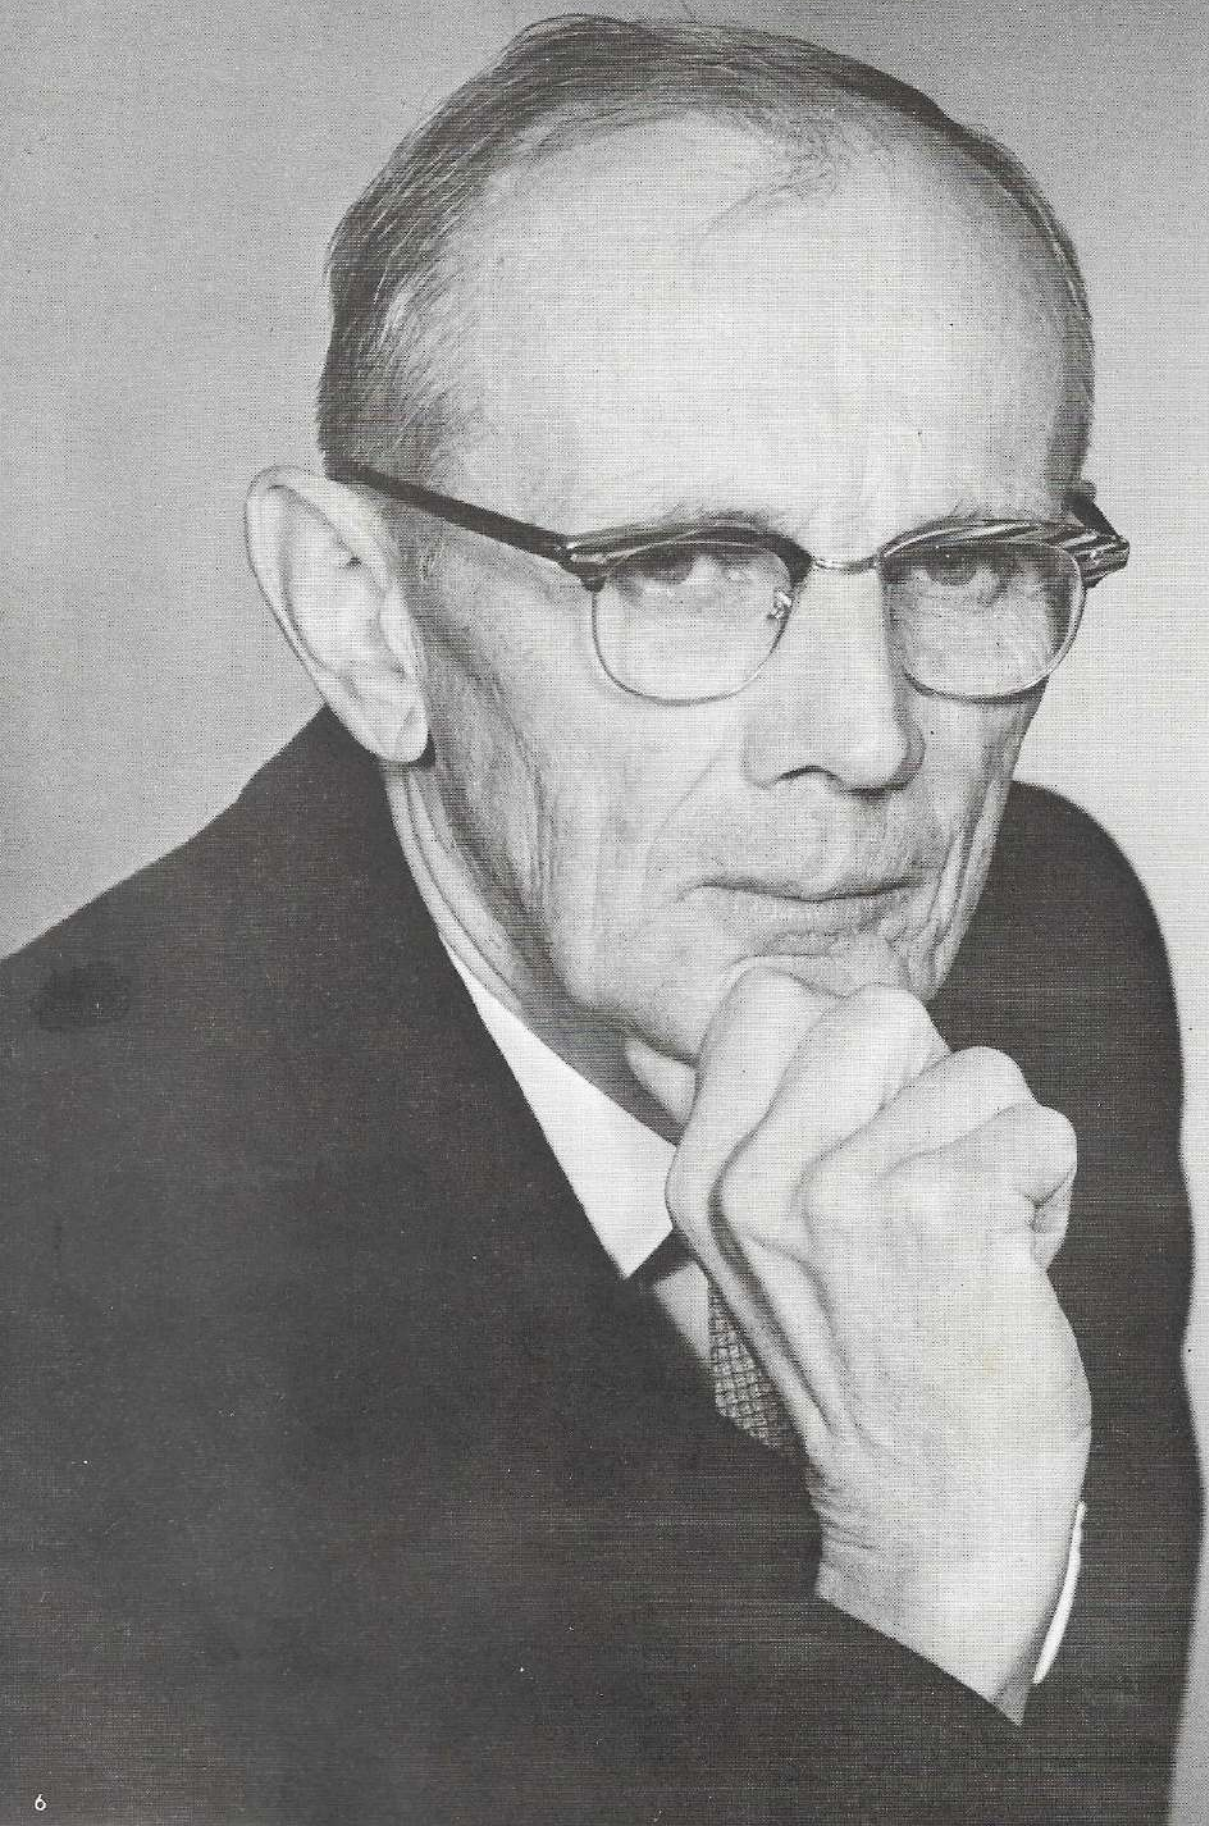

Doctrinal Statement

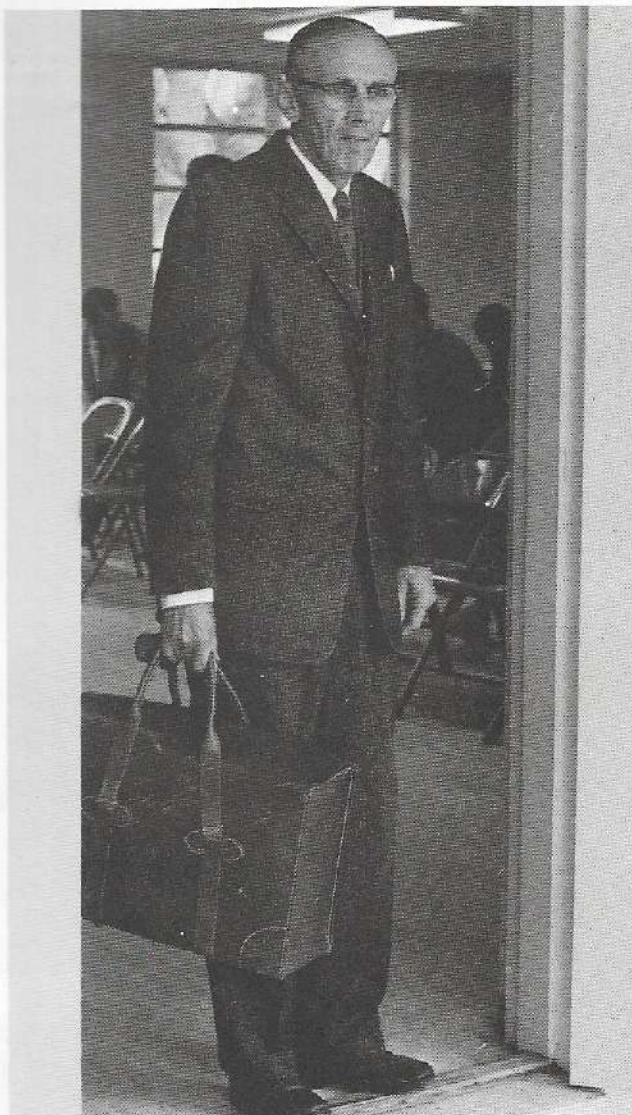

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.
2. We believe in one God, eternally existing in three persons, Father, Son, and Holy Spirit.
3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.
4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.
5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.
6. We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven, and His present life there for us, as High Priest and Advocate.
7. We believe in "that blessed hope," the personal, premillennial and imminent return of our Lord and Saviour Jesus Christ.
8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

There is a certainty in this man
Who is unafraid to share himself with others,
Unafraid to become involved in the
Candid life of a student

This certainty he lives
Is the Christ he teaches.

He engages with vitality
His learning and teaching life.
We admire the way he approaches its problems,
And he is our example

We aspire to be like him
As he is like Christ.

To him we dedicate this book
In an attempt to return some of the respect
That he first gave to us.

A Message From Our President

Greetings to the Class of '68:

It seems but yesterday when many of you were registering in the freshman class. Time has gone by swiftly, and you are now completing a great epoch of training in your life for Christian service. We trust the time spent at your Alma Mater has helped to prepare you for an effective field of Christian service.

We want you to know that wherever you may be and in whatever field of Christian endeavor you may be engaged, you will always be an important part of Trinity College. The school is not confined to the campus, but wherever our graduates are, there is Trinity College.

No class ever faced greater opportunities than are before you. Never was the call more urgent and the need greater than it is today. The influence of your life can be felt throughout the world. For His best, you must give Him your best.

The loyalty of former students is deeply appreciated by the officials and faculty of the school. Your prayers, sacrificial giving, and your recommendation of the school to worthy young people, will be appreciated. I trust next year, our 37th, will even be a greater year. God bless each one of you. Our love and prayers are with you. Mrs. Watson joins me in this.

Yours for Youth,

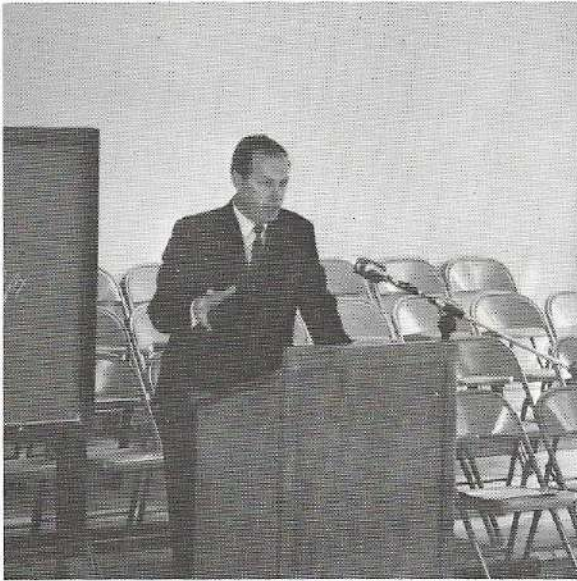

W. T. Watson, President and Founder

North America

North America rings out the joy of freedom and prides in its spirit of peace; but day by day it is losing sight of the Prince of Peace, the Lord Jesus Christ. This in itself, should be enough to awaken Christians to the need of this continent. "Prayer is the key to Heaven and Faith unlocks the Door."

Missionary Fellowship

Far East

The cry pangs of death amid war torn countries . . . the ever onward surge of the red banner . . . and finally the realization of innocent lives caught up in this holocaust . . . Surely love for these should cause us to at least pray for them.

Island of the Sea

The vast bodies of water are dotted with droplets of land. They're romantic, enchanting, picturesque, but more than this, they are inhabited by thousands without the gospel of Christ. In this day of space age travel the Islands of the Sea are no longer out of our reach. Let us reach out today.

Being a missionary is not necessarily tramping through the steaming jungles of Africa or preaching a gospel message via a native translator, but a missionary is one who proclaims the glorious story of redemption anywhere . . . anytime . . . now! Home missions need our prayers.

Africa

Africa, in a world made small by vast advancements in commerce, travel, and communication, is no longer the "dark continent."

"Speed the light" may well sum up the commission to go with the gospel of Christ to the lost continent.

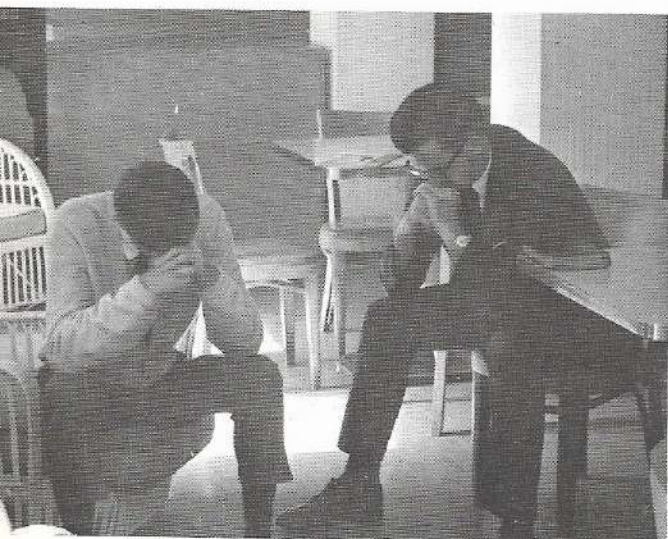

Our focus on South America was to keep in touch with the missionaries and to pray that "Except He will first bind the strong man (Satan;) and then He will spoil his house," Mark 3:27b

In these days of opportunity, the Gospel is having an impact in the lives of South Americans as never before. May your hearts be burdened as you watch and pray for South America.

Never in the history of the world has the Gospel been challenged as it is today. Millions are "unchurched," homes are broken, our youth are disturbed, war is looming on the horizon and various other things should cause each Christian to be stirred to action.

As you, the class of '68, enter the conflict, our prayers are that God will lead you to a definite place of service for His glory. Accept the challenge of the day and give your best to the Lord in reaching the lost.

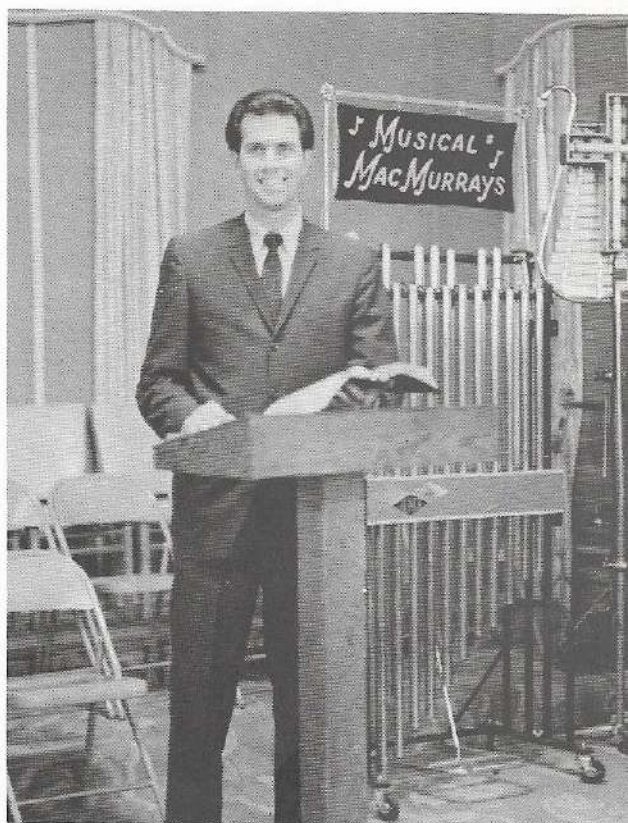

All of the Trinity College Alumni welcome you into this great conflict against sin. We pray with you for His leading in your life.

The Turkey Bowl

The name of the game is ACTION. The pictures tell the story. The boarding students tallied 30 points against the day students 12 points. The game was hard hitting and well played by both teams . . . way to go boarding students!

Thanksgiving evening, the Trinity basketball squad play the Alumni. The game turned out to be a real cliff-hanger. In the last few minutes of play the students came from behind to clinch the game by a score of 53 to 51.
