DR. W. T. WATSON  
President and Founder

#### A MESSAGE FROM THE PRESIDENT

If your being here has only been an increase of intellectual or social attainments, we feel it has been a failure. If being here your heart or soul life has been developed by a better and experimental knowledge of Christ and the Word and you have a greater desire to serve Him and reach souls, your being here has been profitable.

You face a confused world. You have the answer—Christ. Make Him known. The cry of the world today, as of yesterday, is "we would see Jesus."

Your diploma or degree does not mean that "school is over." Greater lessons are yet to be learned. Let the Holy Spirit continue to be your Teacher.

You are now an important part of a distinguished company—"Trinity College Alumni." Pray daily for fellow alumni and your Alma Mater. God bless you.

Yours for Youth,

W. T. Watson

# STATEMENT OF FAITH

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.

2. We believe in one God, eternally existing in three persons, Father, Son, and Holy Spirit.

3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.

4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.

5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.

6. We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and His present life there for us, as High Priest and Advocate.

7. We believe in "that blessed hope," the personal premillennial and imminent return of our Lord and Saviour, Jesus Christ.

8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

"THE LORD HATH DONE GREAT THINGS FOR US; WHERE-  
OF WE ARE GLAD." *Psalms 126:3*

"Let the redeemed of the Lord say so." *Psalms 107:2*

# THE WORD OF GOD

Throughout the ages man has found that the only secure thing he can grasp is the Word of God. God's Word has withstood the test of man and time. It has been a comfort to the distraught soul in the time of trouble; it has brought encouragement to a defeated and frustrated people; it has inspired men to accomplish great things for God and their country.

We here at Trinity are thankful for a college that centers its educational program around the Word of God. Through the experiences of our spiritual life at school we come to better understand and love the word that God has given us.

We realize that "the word of the Lord endureth forever". We need never fear that it is outmoded or obsolete. We can depend upon it to guide our feet as the Psalmist has written, "Thy word is a lamp unto my feet, and a light unto my path." Ps. 119:105.

As Christians we feed upon the word and exclaim "How sweet are thy words unto my taste! yea sweeter than honey to my mouth." Ps. 119:103. As we taste and see how sweet it is, our appetites grow and we are drawn closer to God through His word.

It is important never to forget that the great salvation we have and the story of the love of God for us is recorded only in His Word. We should never be ashamed of God's Word, but state as the Apostle Paul wrote in Romans 1:16, "For I am not ashamed of the gospel of Christ: for it is the power of God to everyone that believeth; to the Jew first and also to the Greek."

# MISSIONS

## *G.C.M.F.*

The Great Commission Missionary Fellowship is a group of students who long to have a missionary vision for the whole world. There still is the verse, "Go ye into all the world . . ." Because we are students we can not go, into all the world, at the present time. But we can pray. This is the purpose of G.C.M.F.

The Lord has blessed abundantly this year. We had the privilege of experiencing a great challenge through our missionary conference in November. The Lord was good. "There were ten mission boards represented". Each student had the opportunity of talking to these missionaries and becoming acquainted with the work of Missions.

The prayer bands are the working part of G.C.M.F. The students, in these prayer bands, receive requests concerning the needs of the missionaries they pray for, so they may pray more intelligently for them. Ever keeping a vision for the whole world.

The prayer of each officer of G.C.M.F. is that Missions might be an important part in every student's life, here at Trinity and after they leave these halls. Let us say with the Psalmist, "Declare His glory among the heathen, His wonders among all people."

## In Memory of

Miss Jessie E. Reinhart

Miss Jessie E. Reinhart, a charter member of the executive board of Trinity College of Clearwater, went to be with the Lord Friday morning, January 23, 1959. Miss Reinhart was 81 years of age and had been a friend of youth through her entire life.

When Trinity College was organized in 1932 (then known as the Florida Bible Institute), Miss Reinhart accepted a place on the board of the invitation of the founder of the school, Dr. W. T. Watson. Through most of those years she served faithfully as the secretary of the board. She was one of two of the original incorporators of the school.

In the early days of the school, during the days of the well remembered depression, Miss Reinhart by prayer and with her means helped in a very substantial way. Her gift was in the form of an annuity and she often stated, "the best investment I ever made was in Trinity College for not have I only received my interest faithfully, but I have had a definite part in the training of young people for the Lord's work."

Through the years Miss Reinhart was a close friend of Dr. & Mrs. Watson and other officials and workers in the school. Even though she never married, she often referred to the young men and women who had attended Trinity College as "my boys and girls."

Miss Reinhart will long be remembered by the students and faculty of Trinity College. Her life of praise was a benediction to all.

## *Dedication*

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth."

II Tim. 2:15

A teacher with untiring effort, a loyal devotion to Trinity College, and an earnest love for the Lord is the beloved Dr. Fred L. Aughinbaugh. One of the oldest instructors, he has been associated with the school for a number of years. His heart is definitely with the school; and he is continually making opportunities for the inexperienced students to serve their Lord in preaching, singing, and song-leading. Some former and present students were led to a saving knowledge of Jesus Christ by this man of God.

Dr. & Mrs. Aughinbaugh are wonderful examples of daily Christians. It is a joy to visit in their home where the presence of the Lord is felt. Because of their zeal for the lost, they have formed Faith Church, a small but spiritual soul-saving station in Tampa.

Never is Dr. Aughinbaugh too busy or tired to answer a puzzling question or discuss a problem; he is genuinely interested in each pupil. Every day in his classes new truths are revealed from God's Word, and more and more are realized the privileges that belong to the Christian in Christ Jesus. In future years these lessons will prove invaluable in the ministry, on the mission field, or in any other work as the Lord has led. As he stands before a group teaching, his silver hair gleaming, one can see the beauty of the Lord in him.
