President and Founder

A MESSAGE FROM THE PRESIDENT

If your being here has only been an increase of intellectual or social attainments, we feel it has been a failure. If being here your heart or soul life has been developed by a better and experimental knowledge of Christ and the Word and you have a greater desire to serve Him and reach souls, your being here has been profitable.

You face a confused world. You have the answer—Christ. Make Him known. The cry of the world today, as of yesterday, is "we would see Jesus."

Your diploma or degree does not mean that "school is over." Greater lessons are yet to be learned. Let the Holy Spirit continue to be your Teacher.

You are now an important part of a distinguished company—"Trinity College Alumni." Pray daily for fellow alumni and your Alma Mater. God bless you.

Yours for Youth,

W. T. Watson

STATEMENT OF FAITH

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.

2. We believe in one God, eternally existing in three persons, Father, Son, and Holy Spirit.

3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.

4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.

5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.

6. We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and His present life there for us, as High Priest and Advocate.

7. We believe in "that blessed hope," the personal premillennial and imminent return of our Lord and Saviour, Jesus Christ.

8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

"THE LORD HATH DONE GREAT THINGS FOR US; WHERE-
OF WE ARE GLAD." *Psalms 126:3*

"Let the redeemed of the Lord say so." *Psalms 107:2*

BACK THROUGH THE YEARS

(This 40 Year Trinity Album)

This album, is a pictorial journey back through the years. You will see familiar faces and places. Alumni will see fellow students and will almost re-live days at Trinity. You will again see the likeness of faithful instructors to whom we are all greatly indebted.

Because of the limitations of this album, with so much to be covered in the 40 years, we have only been able to use pictures, not by years but places. There are four - Temple Terrace, St. Petersburg, Belleair and Dunedin.

As a special salute to the class of 1972 and all students registered for 1971-72, the first several pages of this album will replace a regular year book for 1972. It will prove, to be a valuable "keep-sake" for the class of 1972, and to this class, college and graduate school, we say "CONGRATULATIONS."

TRINITY - A TREE TRANSPLANTED

Yes, Trinity College is like a tree transplanted. The roots are deep in the soil of the west coast of Florida, the Tampa Bay area in particular. For 40 years "the tree of learning" has been growing. First the tree was planted in Temple Terrace, then transplanted to St. Petersburg, then Belleair and eleven years ago to beautiful Dunedin.

This "tree of knowledge," Biblical knowledge, has been the "tree of learning" for hundreds of dedicated young men and women since first being planted "by the river," the Hillsborough River along whose banks, and amid moss draped giant oaks and cypress trees, Billy Graham and others "practiced" their sermons.

The branches of this "Trinity Tree," reach out over continents and seas bearing fruit for the Master. The luscious fruit giving spiritual life and vitality, to millions the world over. Those who know Trinity best know full well that this tree could only be "the planting of the Lord."

It is now estimated that Trinity trained workers reach each week over 30 million with the message of Christ. This being done at home and abroad from the pulpit, class room, mission station, TV, radio, and printed page.

DEDICATION

To the memory of all former Board Members, faculty and staff members, who have answered the call "for higher service," we dedicate this album. The influence of their lives, their sacrifice and dedication will live on in and through the lives they helped to train for Christian service. Trinity is largely today, what it is, because of what they did.

Also, we are indebted to friends many now with the Lord, who prayed for Trinity and gave to support its training ministry and also those who remembered Trinity in their will and even after their "home-call" continued to help make possible - "Training for Christian service."

SYSTEMATIC THEOLOGY CLASS
Dr. E. C. Bragg, Teacher

G.C.M.F.

The Great Commission Missionary Fellowship is a group of students who long to have a missionary vision for the whole world. There still is the verse, "Go ye into all the world . . ." Because we are students we can not go, into all the world, at the present time. But we can pray. This is the purpose of G.C.M.F.

The Lord has blessed abundantly this year. We had the privilege of experiencing a great challenge through our missionary conference in November. The Lord was good. "There were ten mission boards represented". Each student had the opportunity of talking to these missionaries and becoming acquainted with the work of Missions.

The prayer bands are the working part of G.C.M.F. The students, in these prayer bands, receive requests concerning the needs of the missionaries they pray for, so they may pray more intelligently for them. Ever keeping a vision for the whole world.

The prayer of each officer of G.C.M.F. is that Missions might be an important part in every student's life, here at Trinity and after they leave these halls. Let us say with the Psalmist, "Declare His glory among the heathen, His wonders among all people."

In Memory of

Miss Jessie E. Reinhart

Miss Jessie E. Reinhart, a charter member of the executive board of Trinity College of Clearwater, went to be with the Lord Friday morning, January 23, 1959. Miss Reinhart was 81 years of age and had been a friend of youth through her entire life.

When Trinity College was organized in 1932 (then known as the Florida Bible Institute), Miss Reinhart accepted a place on the board of the invitation of the founder of the school, Dr. W. T. Watson. Through most of those years she served faithfully as the secretary of the board. She was one of two of the original incorporators of the school.

In the early days of the school, during the days of the well remembered depression, Miss Reinhart by prayer and with her means helped in a very substantial way. Her gift was in the form of an annuity and she often stated, "the best investment I ever made was in Trinity College for not have I only received my interest faithfully, but I have had a definite part in the training of young people for the Lord's work."

Through the years Miss Reinhart was a close friend of Dr. & Mrs. Watson and other officials and workers in the school. Even though she never married, she often referred to the young men and women who had attended Trinity College as "my boys and girls."

Miss Reinhart will long be remembered by the students and faculty of Trinity College. Her life of praise was a benediction to all.

FRED L. AUGHINBAUGH

Dedication

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth."

II Tim. 2:15

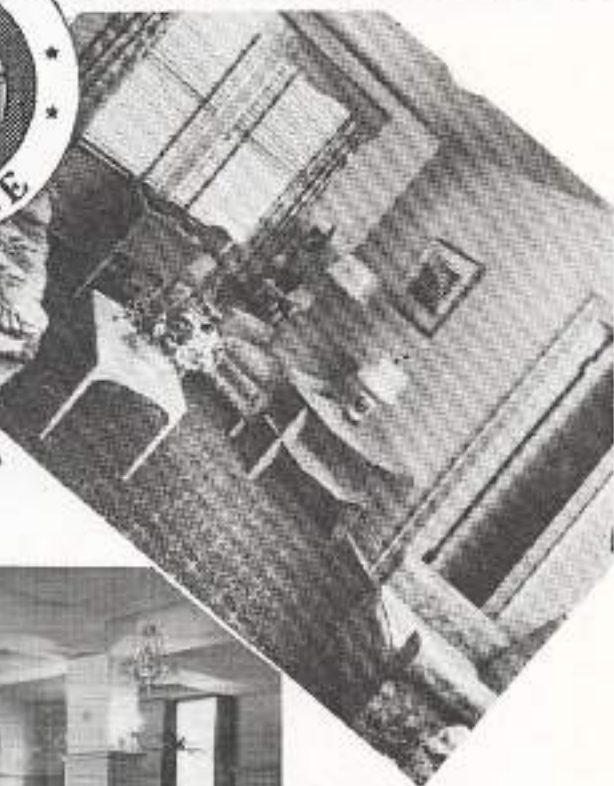

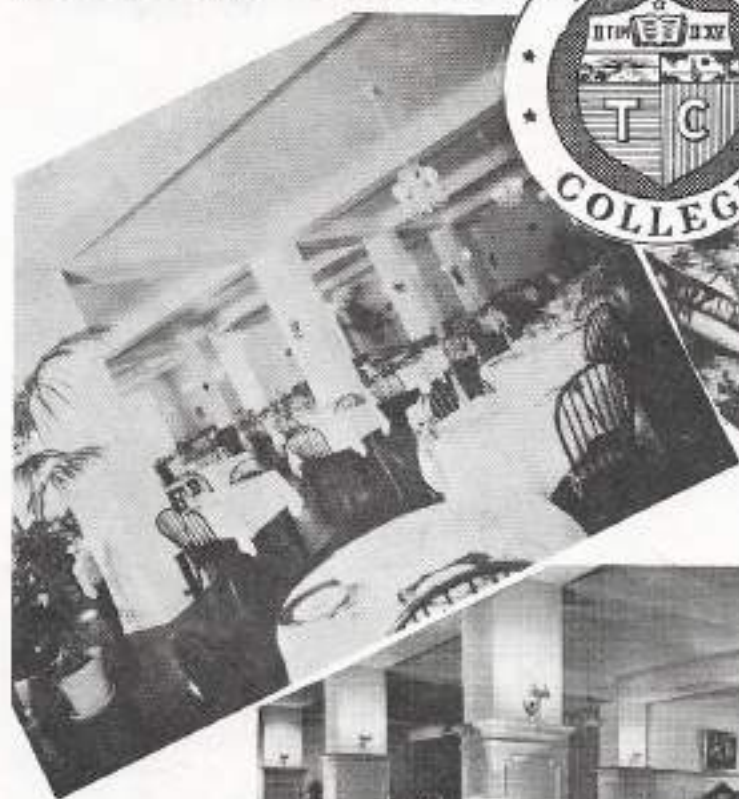

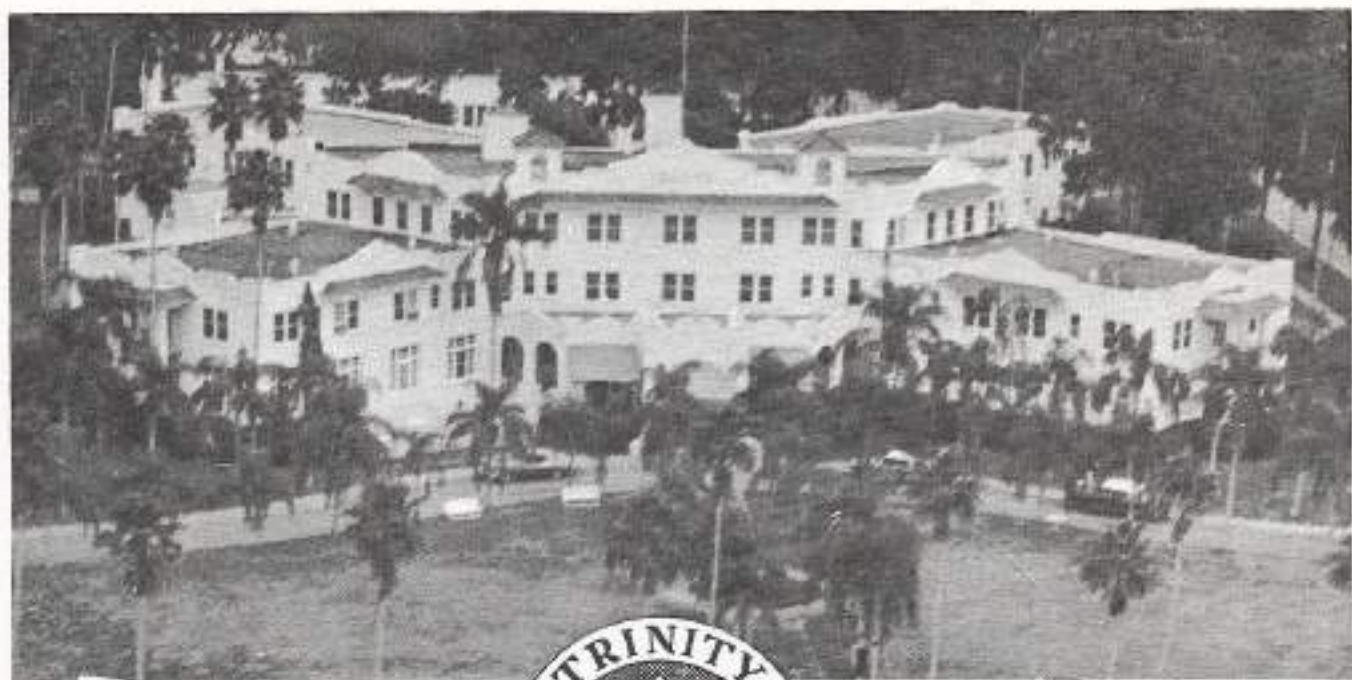

A teacher with untiring effort, a loyal devotion to Trinity College, and an earnest love for the Lord is the beloved Dr. Fred L. Aughinbaugh. One of the oldest instructors, he has been associated with the school for a number of years. His heart is definitely with the school; and he is continually making opportunities for the inexperienced students to serve their Lord in preaching, singing, and song-leading. Some former and present students were led to a saving knowledge of Jesus Christ by this man of God.

Dr. & Mrs. Aughinbaugh are wonderful examples of daily Christians. It is a joy to visit in their home where the presence of the Lord is felt. Because of their zeal for the lost, they have formed Faith Church, a small but spiritual soul-saving station in Tampa.

Never is Dr. Aughinbaugh too busy or tired to answer a puzzling question or discuss a problem; he is genuinely interested in each pupil. Every day in his classes new truths are revealed from God's Word, and more and more are realized the privileges that belong to the Christian in Christ Jesus. In future years these lessons will prove invaluable in the ministry, on the mission field, or in any other work as the Lord has led. As he stands before a group teaching, his silver hair gleaming, one can see the beauty of the Lord in him.
