Dear Friend:

The selection of the right school to attend is of paramount importance. Time is precious, opportunities are great and the call for well-trained Christian workers is urgent. It is alarming today to know the number of colleges and universities which have no "Christ-centered" program of Christian Education and from many the student returns with his faith weakened.

Trinity College of Florida is a special school doing a special work in the training of young men and women for definite Christian Service. If you are planning your vocation in life to be a lawyer, doctor, etc., we suggest you consider some other school unless you wish to take a year of special Biblical instruction to help establish your faith as many have done. However, if you plan to be a pastor, evangelist, missionary, church secretary, child evangelist or musical instructor, chaplain or radio minister, we suggest "Trinity."

A factory or workman is known by the product produced. That being the case, Trinity College of Florida easily ranks among the top leaders in the field of Christian Training. To read the names and accomplishments of Trinity-Trained workers is like reading an exciting page from Who's Who in the evangelical world. We believe one reason for the high percentage of successful Christian Workers produced by this school is due to the fact that we are not so large but that individual help may be given each student and also that we train and develop heart as well as intellect.

Our school was founded in 1932 as the Florida Bible Institute and in recent years the faculty and curriculum were enlarged and the name changed to Trinity College. This school is sound in the faith and has since its inception used as its doctrinal statement that of the World's Christian Fundamental Association. The school is interdenominational in character and co-educational.

To all young men and women who may be considering training for Christian service and to pastors and parents who are interested in sending young people to a Christian College, we invite correspondence. The cost is very reasonable, courses are complete, faculty is strong, the climate is ideal and training is thorough at Trinity.

Yours for Youth
W. T. Watson

TRINITY COLLEGE IS A BIBLE COLLEGE

TRINITY COLLEGE is NOT just another school. It is the outgrowth and culmination of many years of school work done by the Florida Bible Institute. The demand today for college work with additional subjects not usually taught in a Bible school and an enlarged curriculum preparing youth for effective Christian work, is the reason for Trinity College. We major in Christian Education and grant proper degrees to those completing the courses offered by the college.

“TRAINING FOR CHRISTIAN SERVICE” has always been our slogan and will continue to be in the future. This is a national institution with students coming from many of the states of the union and some from other countries.

The school is interdenominational in character and evangelical in spirit. In its stand for historical Christianity Trinity College is fundamental in every respect. Many of the world's leading evangelical preachers and Bible expositors have spoken in the school conferences and classes.

STATEMENT OF FAITH

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.

2. We believe in one God, eternally existing in three persons, Father, Son, and Holy Spirit.

3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.

4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.

5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.

6. We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and His present life there for us, as High Priest and Advocate.

7. We believe in "that blessed hope," the personal premillennial and imminent return of our Lord and Saviour, Jesus Christ.

8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

“Training for Christian Service”

A miracle in Christian Education is the story of Trinity College of Dunedin, Florida. Founded in the days of “the depression (1932) for forty six years has been continuously a “West Point” of Christian training on the West Coast of Florida. It was founded by Dr. W. T. Watson and others seeking to establish in Florida a Bible school to be fundamental and interdenominational, sound in the faith and true to the Word. It was first known as the Florida Bible Institute and later blazed the trail in higher Christian training by becoming a four-year Bible college and the name was changed to “Trinity College.” Other Bible institutes soon followed suit and put in a four-year course and began granting degrees as Trinity was doing.

Trinity, through the years, has sought to reach the heart of the student as well as the head. Dr. Watson, and officials of the college there being 18 Board members, feel that the “faith life” of the student must be developed and enlarged. So, the story of Trinity is one of faith. This is well reflected in the Trinity alumni the world over. You will find Trinity trained workers in the front ranks in Christian work at home and abroad. They serve as pastors, evangelists, missionaries, music directors, ministers of youth and music, church secretaries and Christian educators in Bible colleges, seminaries, Liberal Arts educators and instructors in Christian day schools.

Trinity College is NOT for everyone. Only those interested in going into a life of Christian work are encouraged to come to Trinity. Those who are fortunate enough to be “a Trinity College student” will find at Trinity a strong experienced faculty of 21 instructors. The courses are complete and rates are reasonable. Graduates usually are prepared to enter into Christian work immediately upon graduating. Some work scholarships are available. Those interested should write for a free catalog.

BILLY GRAHAM AND HIS CLASS REUNION

Dr. Graham and Dr. Watson

Visiting with alumni

Dr. Graham and Dr. Bragg

Dr. Graham and Dr. Minder

It was a beautiful Saturday afternoon, March 17th. The place, the lovely home of Col. and Emily Massey overlooking beautiful Hillsborough River. The people, 35 or 50 of Billy's classmates of 1940 and others who were at the Florida Bible Institute, now Trinity College at the time he was here.

Billy and wife, Ruth, had phoned the Masseys saying, "We are coming a day early to meet with classmates,

get as many together as possible". The Masseys, by phone as quickly as possible, contacted many. It was a time to remember. Billy and Ruth were very relaxed and all talking of "Temple Terrace Days". Billy remembered many by first names.

Thanks to the Masseys for the delicious refreshments. So good! Yes, cameras did a lot of clicking and a time of fellowship to tell the coming generation about.
