STATEMENT OF FAITH

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.

2. We believe in one God, eternally existing in three persons, Father, Son, and Holy Spirit.

3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.

4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.

5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.

6. We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and His present life there for us, as High Priest and Advocate.

7. We believe in "that blessed hope," the personal premillennial and imminent return of our Lord and Saviour, Jesus Christ.

8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

Dear Friend:

The selection of the right school to attend is of paramount importance. Time is precious, opportunities are great and the call for well-trained Christian workers is urgent. It is alarming today to know the number of colleges and universities which have no "Christ-centered" program of Christian Education and from many the student returns with his faith weakened.

Trinity College of Florida is a special school doing a special work in the training of young men and women for definite Christian Service. If you are planning your vocation in life to be a lawyer, doctor, etc., we suggest you consider some other school unless you wish to take a year of special Biblical instruction to help establish your faith as many have done. However, if you plan to be a pastor, evangelist, missionary, church secretary, child evangelist or musical instructor, chaplain or radio minister, we suggest "Trinity."

A factory or workman is known by the product produced. That being the case, Trinity College of Florida easily ranks among the top leaders in the field of Christian Training. To read the names and accomplishments of Trinity-Trained workers is like reading an exciting page from Who's Who in the evangelical world. We believe one reason for the high percentage of successful Christian Workers produced by this school is due to the fact that we are not so large but that individual help may be given each student and also that we train and develop heart as well as intellect.

Our school was founded in 1932 as the Florida Bible Institute and in recent years the faculty and curriculum were enlarged and the name changed to Trinity College. This school is sound in the faith and has since its inception used as its doctrinal statement that of the World's Christian Fundamental Association. The school is interdenominational in character and co-educational.

To all young men and women who may be considering training for Christian service and to pastors and parents who are interested in sending young people to a Christian College, we invite correspondence. The cost is very reasonable, courses are complete, faculty is strong, the climate is ideal and training is thorough at Trinity.

Yours for Youth
W. T. Watson
Chancellor
