Together We Build

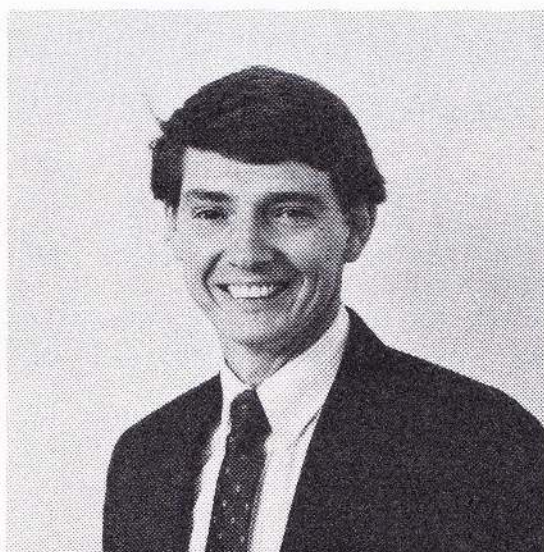

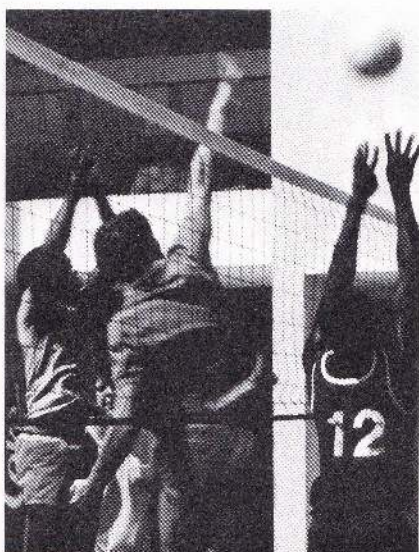

Trinity was founded in 1932 by Dr. W. T. Watson. Since that time Trinity's purpose and theme has been teaching men and women the Word of God, and training them for Christian Service. 1989-90 has been a year of transition and renewal.

This book is a reflection and review of how richly God has blessed us and continues to do so, as we continue to BUILD TOGETHER.

Jim Egan

Vice President Of Student Affairs

When thinking of dedication, one looks at someone who stands out among the rest, as being willing to be a servant of change, rather than a slave of chance. Christ being our example has exemplified His principles through Mr. Egan. May you continue to build through Christ.
