Bill W. Lanpher, D. Min. President

Trinity College is a Bible College. Its purpose is to glorify God through the preparation of Christian men and women for dedicated service through the Church and its various agencies and associations.

Four decisions you make at this time in your life will be life forming. First, you will form your own worldview: is God creator and does He intervene in history? Second, you will determine your own Christian lifestyle: what you will do and not do as a believer. Third, you will likely determine your first true vocation and set the path of your life. Fourth, you may well select your life's companion.

These four decisions set your life's course in very specific directions. We believe Trinity is a perfect environment in which to find foundations for these decisions.

Trinity has a seventy-year history rich in teaching the content and principles of the Word of God, both of which are foundational to wise decision-making. Trinity is the place where students find a valuable education and a fertile environment for developing a life determined to glorify God in their Christian life and ministry.

James Lanpher, Vice-President

This yearbook is a snapshot and a summary. It cannot possibly document all of those moments you will remember from this year, but I hope as you leaf through these pages in the years to come you will find reminders of the events and people that came together for a period of time to help make you the person you are. I know it is the hope of every person who taught you and worked with you this year that each of us will have had a role in equipping you for the ministry God has for you in the years to come- because that is what Trinity is all about. Good luck and God bless.

Dr. James Lanpher
Vice President for Academic Affairs and Dean

People FELLOWSHIP

Over the past year the staff, administration, and students of Trinity College have united together in preparation for the ministry with the supremacy of God in the forefront, submitting our lives for the glory of God by laying down the talents and gifts God has given us to pursue the body of Christ.

"But I do not consider my life of any account as dear to myself, so that I may finish my course and the ministry which I received from the Lord Jesus, to testify solemnly of the gospel of the grace of God."

Acts 20:24

Our descendants will sing songs of the day the endless pot of chili...ended, much to the chagrin of Papa Tom.

Through the joy we experience, we proclaim God's glory through the work He has done in our lives.

Staff & Administration

"I've got you this time Paul."

Whether discussing deep matters of theology, lending an ear to a student in need, or fussing over who plays better football, the administration and staff of Trinity College make this place a wonderful atmosphere to grow in the whole and fullness of Christ.

It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

"What...who likes Stacy!?"

The end of the year is good for all of us to look back and reflect on all that has gone on. Many of the most important moments of the past academic year will naturally be found in the classroom. It is here that you first encountered new ideas and ways of thinking that will continue to form how you serve God in the years to come.

There is no greater experience than spending the next few years seeking God with our brothers and sisters in Christ. The years will go by fast and there will be lots of lectures, books to read, and friendships made. Every moment will be one in which we are shaped into the men and women of our magnificent God.

SOME OF OUR BEST MOMENTS

Student Life

IN YOUR FACE

Student life at Trinity is what it is because people have chosen to work hard and play hard as well. Life here is made up of a variety of students ranging from the studious student to the crazy ones.

"Study to show thyself approved unto God, a workman who needeth not to be ashamed, rightly dividing the word of truth."

2 Timothy 2:15

Student Workers

HANDS & FEET

What would Tom do without you Jen?
Just between me and you Papa Tom- You
better hang on to her!

Thanks to the World's Greatest
Admissions Counselor and the rest of the
admissions office, Trinity has had its
largest student body this year.

Dave McIntosh and his team do a great
job of keeping this campus looking great.
Thanks so much! You are appreciated!

The extent to which we truly loves
will be positively correlated to the
degree we take our fellowship with
each other.

Islands of Adventure

~~TRINITY COLLEGE FUN~~

Only Bryan sees the T-rex that is about to eat these hapless students.

Cr-Mo and his buddy, The Wizard, pose for a picture (little does Cr-Mo know he's about to be turned into a book worm).

YEAH!! The incredible Hulk was awesome!!

Can you imagine trying to fit everyone in just one van?

Who let these crazy kids out in public?

Why oh why did you ride the dragon right after lunch Bryan?

Who needs friends? Here is the makings of the next great sitcom.

Studies

~~KNOWLEDGE & WISDOM~~

A visiting student checks out the work load.

Jared hard at work. Or is he?

Kyle furiously studies the back of his cyclids, hoping they will be included in the exam.

Christi puts in her last few minutes of freedom before a D. P. Marvin quiz.

Why does studying put that goofy grin on Craig's face? The world may never know.

This bawdy couple enjoys a few moments of study time together.

With nap time in ten minutes Dan rushes to finish his homework.

Spirit Week TO THE EXTREME

Either Tim was confused...or he lost some really bad hair.

Beach Day, the first day we can show off some skin.

The day that Kyle Truman felt like a king, Redneck Day.

"My name is Marylou, and the year is 1952. And yes, my classes are swingin'."

"Back in the eighties this is what buff looked like."

Redheads do have more fun!

"Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward."

Colossians 3:23

Mike is Mr. Fix-it. If you need someone to fix you a cup of coffee or to fix that aggravating blinking light in the classroom, he's your man.

If Guillermo has anything to do with it, it's going to be squeaky clean. From his dorm room to the Administration building G-Mo will make sure that it shines.

Kelly, Jeremiah, and Tara have stayed hard at work over the spring semester giving Lyaphany's a new look.

Chapel SHOUTS OF PRAISE

We are thankful to Dean Depoutot and Chris Kuti as they lead a time of corporate worship at Trinity.

We are here at Trinity College because God has saved us to the praise of His glory (Eph. 1). As we come together to worship God in a corporate setting, Chris Kuti leads us as we sing to the Lord. During this time may the word of Christ dwell in us richly as we sing psalms, hymns, and spiritual songs with gratitude in our hearts to God (Col. 3:16). Often times God speaks to us as we reflect on His beauty and glory. It is a privilege to have men of God such as Dr. Bill Mills come to proclaim the Word of God. We are moved, motivated, and blessed by many of the visiting speakers and professors. This place is here to train us for ministry. What is ministry without worship? As we gather to worship together may we continue to "worship God acceptably with reverence and awe" (Heb. 12:28) as we walk in this world day by day.

God uses wonderful musicians such as Bym and Jennifer to bless us constantly as we sing to the Lord.

Patrick leads us in prayer before we get into the Word.

From the joy and laughter that erupts in our fellowship to the quiet moments of reflecting upon our God, Chapel is one of the most exciting and looked forward to times at Trinity College.

Free Time

~~WHERE DOES IS GO?~~

Playing B-Ball is something we do in the little free time we have! (And watch out—Mary will fall for the ball!)

No wonder our school isn't bigger than it is. People like Dan keep distracting the admissions workers.

Here's Katie being nice and listening to music on her headphones rather than her 240 Watt Stereo. (Way to think of others first Katie!)

Anyone up for a movie? Well you better be because there is nothing else to do!

I bet you didn't think Trinity College had a football team. Well your right we don't, however we still take football serious!

Hey, if all else fail's start throwing a plush soccer ball at people. It will turn into hours of fun for the whole guy's dorm!

The limbo usually replaces the real event by the end of the night. In this case it was karaoke night! Oh well.

Dorm Life

ON THE INSIDE

Though, lunch is provided, you're on your own for dinner.

While there's no flopping in mixed company, the ladies take advantage of the couch in the girl's residents hall.

The nintendo 64 is a must in the guys dorms.

What's that? Girls outside of their rooms?
Must be a basketball game going on.

Kyle runs inside for a quick halftime snack to regain his strength since he is losing to a bunch of girls.

Although some of our Dorm Students enjoy cleaning, others enjoy watching them clean.

Is that a birthday party? It must be in the girls dorm because the guys never remember anyone's birthday.

Student Organizations

TRINITY COLLEGE'S STUDENT ORGANIZATIONS EXIST TO REPRESENT CHRIST AS WELL AS THE SCHOOL. EACH ORGANIZATION HAS ITS OWN UNIQUE WAY OF TOUCHING THE STUDENT BODY AND REACHING BEYOND THE SCHOOL WALLS TO MINISTER TO OTHERS. ALL OPERATE TO FORM AND FUNCTION AS ONE BODY.

Greater Commission Mission Fellowship

G.C.M.F. is student led ministry that is serious about the Great Commission. Our prayer is "Your Kingdom come, Your will be done." GCMF meets once a week to pray for missions; and our annual Missions Conference helps students experience mission first hand.

G.C.M.F. President
Andrew Conway

Back to front: Kyle, Jenn, Chris, Dr. Fritz, Andy, Becca, Naphilli, Pamela, Dave.

This is just a little of what G.C.M.F. puts together for our annual Missions Conference.

Theology

From back to front: Robert,
Christian, Charlie, G-Mo, Cliff.

The purpose of this theology club is to worship God with our minds by engaging in polemical discussions concerning Christian doctrine and cultural relevance in an open-minded atmosphere, providing an alternative answer to the questions of the day.

Worship Band

Trinity's Worship Band is led by our very own Chris Kuti. Together the band exemplifies a team as they lead the worship service during chapel three times a week.

Worship Band members: Chris Kuti, Chris Billner, Jenny Espinoza, Jenn Cadle, Tim, Bryan, Justin, Gabrielle.

Library Club

From back to front: Joy, Mary, Chris (Cyle standing in for Chris), Becca, Naphtilli, Katie, and Tim.

Ex Libris: The Library Club exists primarily to raise funds for special library projects. This is done through a variety of facets with Christian love.
