A WORD FROM THE PRESIDENT

The Sought After Treasure

*Behold, how good and how pleasant it is
for brethren to dwell together in unity!
... For there the Lord commanded the blessing -
Life Forevermore.
Psalm 133:1,3 NKJV*

The Sought After Treasure... It is Biblical Unity! Unity lifts the human spirit, energizes the human mind, and propels human endeavors into great accomplishments. It gives purpose, power, provision, and passion to the possessor! It launches great plans and achieves spectacular results. It sends powerful messages to every onlooker. Unity is sought after like gold and silver. It is also the "weapon" that Almighty God uses in every setting to make a statement or accomplish a work. People take notice. They stop. They look. They ask. They wonder. And when God's Hand is in it or on it, they marvel!

Unity, the "Sought after Treasure"

Real spiritual unity is a by-product of right thinking about right principles. The "right" principles are "Biblical Principles" from the Word of God. It is the fuel that generates right thinking that creates right feeling and motivation that leads to right actions. Diversity abounds in the world. Differences abound but when unity is found in the midst of diversity, the World takes notice!

At Trinity College of Florida, secrets of Unity are unfolded. Its construction, its value, and its influence are all unveiled. Did you notice the words in the above verse? When Biblical Unity is realized, at that very point, that moment, that event, the Lord commands the blessing! The Lord initiates the "blessing of Life forevermore," a term encompassing multitudes of blessings. Even Jesus said:

*I do not pray for these alone, but also for those
who will believe in Me through their word; that
they all may be **one**, as You, Father, are in Me,
and I in You; that they also may be **one** in Us,
that the world may believe that You sent Me.*

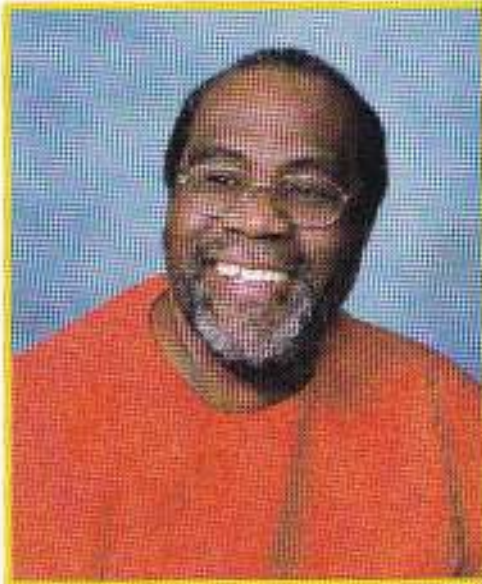

John 17:20-21 NKJV

The world will awaken to the Father's decision of sending His son to this planet ... all through Unity! The focus and fuel of Unity are found in the Lord Jesus Christ. The fire and the passion, then proceeds from the Holy Spirit, who propels His servants forward in "great exploits" for the Father. Energy and enthusiasm abounds!

As we "unlock" this treasure that is God-given, may all of us find security, satisfaction, sufficiency, and simplicity in the essence of this sought after treasure, the Lord Jesus Himself!

DEDICATION:

Israel Laing 1952 - 2007

Every now and then you meet someone who is special. Someone who leaves a lasting impact on those who know them. Israel Laing was just such a person. Israel left his home in the Bahamas to come to Trinity in order to get a Biblical education so he could return home and minister more effectively to his people. For the most part, he had to leave his family behind in order to come to school here (occasionally his wife and family would come and stay with him for a while). When he started school he was in his fifties which presented certain challenges that even the best among us would find difficult to overcome. He had to re-cultivate study habits which had not been used in a long time and if that wasn't enough he had to wrestle with the age difference between him and his classmates. Yet he overcame these obstacles and was able to connect with students in a way that they will not soon forget. He was always there for them to counsel or pray with them. He would sit down with students and discuss spiritual and theological issues as well.

Israel's major was Pastoral ministries and it showed up in everything he did. Yes, every now and then you run into somebody who shines like the stars in the universe (Philippians 2:15). Israel Laing will be missed, but his love for God and his love for God's people will always be remembered. We were blessed to know Israel Laing and his family. He has passed away from this life time; however, we look forward to one day being reunited with him in heaven for all eternity.

"I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die (John 11:25-26)."

- Isreal had a boyish excitement about life. He laughed about the beauties in life. He believed in the pursuit of truth, being equipped and loving the process. His favorite phrase was "everything gonna be all right ya know, I gonna be all right". He saw and appreciated the good things in people and wanted to share with them. In the short time he spent with us he became a father figure, uncle, buddy, student, minister, example and friend. It was a wonderful season!

Kyle Morris

- Israel was a man whose very character was the fruits of the Holy Spirit: gentleness; kindness; goodness; patience; self-control. From the moment I met him until the last time I saw him in the hospital, I never heard him complain or speak ill of anyone. His consistent gentleness, kindness, and genuine goodness has convinced me that I will never know anyone who reflects the love of the Lord like him. He may be with the Lord now but I will aspire to his example for the rest of my life.

Jessica Willis

- I met Israel when he was desperately homesick and was worried about his wife's health. As the month and then the semesters went by, though, Israel proved to be quite a cheerful and gentle-spirited person. He spent much time in the Library, always serious about his studies and his homework. He and Kyle Morris became the Library's "Saturday regulars", and even if no one else crossed our threshold on a Saturday, our Bahamian brothers were faithful to put in a few hours among the books. I am glad to have known the sweet and smiling Israel Laing.

75TH ANNUAL CELEBRATION

Looking Back, Looking Ahead

A landscape filled with rich history yields a great harvest. As we explore the past 75 years, we are filled with joy over God's blessings. Building on the past, we now look forward to the future.

Unity of the Spirit

The students at Trinity College come from many different backgrounds and denominations! We believe that God has made provision (in Christ) for us to live and work together in unity and to grow together into maturity. *"There is one body and one Spirit ... one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all (Eph. 4-6)."*

TRINITY ACADEMICS

The mission of Trinity College is "To equip men and women for Christian Service to the church and all humanity through effective Biblical, general, and professional education leading to associate and baccalaureate degrees." Everything that is done in the academic area is designed to accomplish this mission and purpose! What makes students attending Trinity College thrive is not simply that they are being taught but that they are being taught the Word of God!

"Let them become scholars if they can, but preachers first of all, and scholars only to become preachers." (Spurgeon)

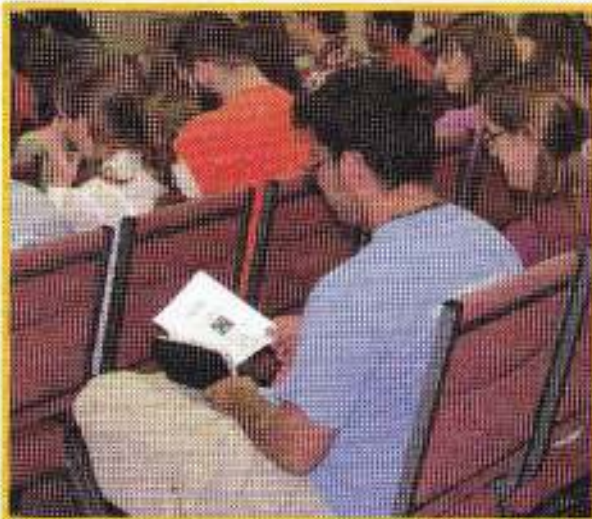

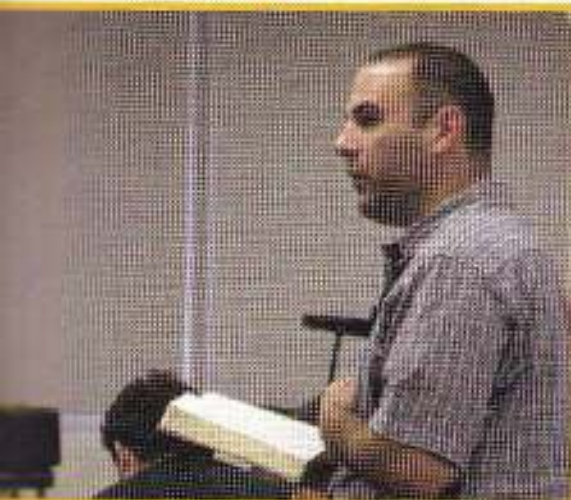

CHAPEL

Chapel plays an important role in the development of the students spiritual lives. It offers students the opportunity to take a break from their busy schedules and come together for a time of worship. Students, pastors, professors, even the President are all part of the many different speakers that participate in chapel.

"Worthy is the Lamb, who was slain, to receive power and wealth and wisdom and strength and honor and glory and praise (Rev. 5:12)!"

"Therefore we have been buried with Him through baptism into death, so that as Christ was raised from the dead through the glory of the Father, so we too might walk in newness of life. For if we have become united with Him in the likeness of His death, certainly we shall also be in the likeness of His resurrection, knowing this, that our old self was crucified with Him, in order that our body of sin might be done away with, so that we would no longer be slaves to sin; for he who has died is freed from sin."

Romans 6:4-7

David Booth

I have been privileged to have the opportunity to spend these last few years studying here at Trinity College. Through Trinity God has faithfully enabled and prepared me to better serve Him and His kingdom. God has given His people great men and has provided Trinity College as a place for these men to teach His children. He has equipped me with amazing friends who care for me and teach me with their lives and their example. It was also at Trinity that God in His grace and mercy introduced me to my wife. I thank Him for the tremendous blessing of ministering to her and alongside of her everyday. I pray that together we will be able to serve others as we were served at Trinity and I am honored to be called Alumnus.

Sarah Boyd
Counseling

God gives us challenges to teach us. Thousands of graduates before me would agree that it is very challenging to balance your college life with your personal life. But God is also faithful in placing people in our lives who, thanks to them, we can make it. In my life, He placed my fiancé, Charles Morgera. I thank God for him because He knew that I needed him. I thank God for His amazing love and for the love that He gives His people for each other. I love you Charles.

The last three years at Trinity have been some of the most memorable years of my life. I thank God for the opportunity to receive such a quality education and to develop life long friendships. Trinity College is truly a family and a community of people where everyone works together to be successful in life. I would like to say 'thank you' to my wonderful wife Ruthy and my family for all the support and encouragement to finish well. I would also like to thank Rodney Shores and Dean Lanpher for their friendship and encouragement over the past three years. You both had a huge impact on my life and ministry, thank you so much! Congratulations my fellow graduates we did it!

Grace & Peace

"For you have been called for this purpose, since Christ also suffered for you, leaving you an example for you to follow in His steps, Who committed no sin, nor was any deceit found in His mouth; and while being reviled, He did not revile in return; while suffering, He uttered no threats, but kept entrusting Himself to Him who judges righteously; and He Himself bore our sins in His body on the cross, so that we might die to sin and live to righteousness; for by His wounds you were healed."

God is a God of surprises. When I began my college journey, the last thing that I expected was to graduate from a college located in what used to be cow pasture! However, I feel blessed beyond measure to have been given so much more than my expectations. My time at Trinity will be something I forever treasure, and it is with anticipation that I look to a future in which my Savior will continue to surprise me.

During my time at Trinity, I learned to be driven to what is true. I am so glad that I had the chance to learn the importance of building relationships. I enjoyed getting to know great professors and friends. Because of my family, Pastor Billy and Donna Hires, Pastor Elliot and Tara Fernandez, friends, and Eric Johnson, I have grown spiritually, mentally, and emotionally. Overall, I want to thank my Heavenly Father who by His grace, I was able to finish college. I know that I have a long way to go but I am very excited to see where God is going to use me in order for His glory to be displayed.

Dave Casper

I would like to thank the professors for their dedication in following the call and direction of God. I would also like to thank them for their commitment to the education and growth of the students. To all the professors, thank you for allowing me to get to know you on a personal level.

Martin Luther King Jr. had an inspiring view of education. He said, "The function of education is to teach one to think intensively and to think critically... Intelligence plus character - that is the goal of true education." This is the kind of education I have received at Trinity College, and the kind I hope to give my future students as an elementary school teacher.

I praise God for the opportunity to attend Trinity College. God allowed me to learn how to think outside of my presuppositions. I was able to see people from different denominations come together, discuss their differences, and to learn from each perspective. Thank you professors, staff, and fellow students for your love and desire to grow together.

2 Timothy 1:9 "Who hath saved us, and called us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began."

Scott Keppell

As I reflect on my years at Trinity, I realize how blessed I was to have met such caring professors and friends. They helped me grow spiritually and encouraged me to stay focused on the Lord, no matter how difficult life can be at times. God has been faithful and will continue to be faithful in everything. He is able.

Sarah Kingeman
Elementary Education

I am leaving Trinity College with a degree in Elementary Education. I do not know where God will lead me. I do plan on teaching in the public school system until God tells me otherwise. I would like to especially thank Dean Depoutot, my theological mentor who is always challenging me to reevaluate my views. I would like to thank Dr. Woodward who introduced me to, Structure of Scientific Revolutions, by Thomas Kuhn. I would also like to thank Dr. Cox, who taught me the value of discipline, persistence, and the importance of doing something right the first time. I would like to thank Professor DiPronio for always being straight with me and taking the time to pray with and advise me even when I was not in a class with him. I would also like to thank Dr. Fritz, my biggest Spirit week fan for his support. I would also like to thank Professor Chauncy for letting me start with a clean slate, her continuous encouragement and praise during my internship. I would finally like to thank the faculty and staff for their never-ending support, including Dean Lanpher who always welcomed me into his office with open arms. I will miss Trinity College as I pursue other endeavors, but I will always remember my time there.

I'm so thankful that Trinity College is where God lead me. It was truly a perfect fit. I cherish the relationships I made with professors and students alike. Being immersed in a Christian community for fours years was such a blessing. My relationship with the Lord and passion for ministry grew immensely. Trinity will always be home to me.

Kyle Morris
Pastoral Ministry

Well as I bask in the comfort of sun, seas and sandy beaches in a place where they say is "Paradise on Earth" I can honestly say that I really miss Trinity College. Sometimes I long for the experience of sitting under the teaching of loving knowledgeable professors or sitting around a lunch table with them. I honestly long for the company of the friends and partners in ministry that I've formed while at Trinity. Trinity is and will forever be a huge part of who I am as it equipped me for ministry, trials, and future relationships AND I'M PROUD OF ITS HERITAGE and feel blessed to be a part of it.

I would like to thank all those who helped me get through my time here at Trinity. I want to thank all my professors that challenged me to study hard and think for myself. I want to specifically thank Dr. Woodward, Professor Tsamis, Dr. Cox, Dr. Fritz, Dean Lanpher, Professor Feliciano, Dean Depoutot, Professor DiPronio, and everyone else who helped me get to where I am. I would like to thank my fellow classmates for the great times and the good friendships. These were some of the best years of my life so far and I am very thankful to everyone who was a part of it.

I feel blessed to have had the honor to be a part of the Trinity College family. When God led me here, I must admit I did question His plan. Now looking back I can see God's plan was full of purpose and intent. I have encountered friends, professors, and even coworkers that have changed my life in ways that I never imagined were possible. I have made friends that have become part of my family, and I know that they will still be a part of my life long after graduation.

I will forever be indebted to the faculty and staff that dedicated their lives not to their students, but to God. Their love and desire for the things of God was evident in their teaching and present in every class. I so appreciated their ability to be real and honest with their students. They shared not only their triumphs but also their struggles, and it was done with a sweet spirit of humility. The impact of their character will definitely stay with me where ever I go, and sitting at their feet will be greatly missed.

The greatest joy that I leave Trinity with is knowing that I am not the same person I was when I came here. Those I have learned from and learned with have been used to draw me closer to the Lord. My beliefs have been challenged and my walk with God strengthened, and for that I am forever grateful.

BASKETBALL

Go Trinity Tigers!

Trinity College participates in the National Christian College Athletics Association (NCCAA). Basketball provides entertainment for the students and opportunities for the players to develop leadership skills. The basketball team placed third in the Small Bible College National Invitation Tournament (SBC NIT) held March 1-3, 2007. In addition to the third place finish, graduating senior Maurice Collins was named to the NCCAA All-American DII Men's Basketball - 1st Team and the NCCAA All-Regional Men's Basketball 1st Team. Coach Allotta continues to do a superb job in coaching the team.

Students Vs. Alumni

The "Alumni Basketball" game was a great time to see friends of the college that hadn't been around for awhile and to find out what God was doing in their lives. The Trinity Men's Basketball team barely beat the Alumni. They won by one point on a last second shot. Trinity College Alumni have been used by God all over the world to bring men and women to a saving knowledge of Jesus Christ. Praise be His name!

WELCOME TO THE FAMILY!

Titus is his name and basketball is his game. Titus stands for "Tiger Pride." "Tiger Pride" is a total approach to athletics. At Trinity College our student athletes achieve excellence on and off the court. They remain committed to developing Christ - centered character through competition. Titus serves to remind us of that pride. Titus says, "In everything set them an example by doing what is good (Titus 2:7)."

The Christian Service Program is designed to help the students practice what they learn in the classroom. The students get involved in their local church or para-church organization where they can contribute to the ministry taking place there. The students find their contribution to their place of service very rewarding and affirming.

"..just as the Son of Man did not come to be served, but to serve, and to give His life as a ransom for many (Matthew 20:28)."

Yearbook Staff

Jenny Cordero

Finally! What seemed like a huge mountain to climb became just a hill. I really enjoyed seeing the other side of students when they are not behind a book. I was very thankful to be a part of creating this yearbook with a fabulous staff.

Bob Drost

Being part of the yearbook staff was really a lot of fun. I got to work with awesome people and I got to hang out with a cool team of ladies. What can I say? I am a lucky guy. I really enjoyed taking pictures for the yearbook. Putting this yearbook together was an experience. I recommend for others to take the experience that I got to have.

Amanda Allotta

Once again, I am really thankful to have been a part of capturing the memories of students. I really enjoyed working with this team. We had "Allotta" fun!

Shounette Braun

I have had an exceptional time being a part of putting a book that students will cherish for years to come. I am grateful to be a part of the heritage and memories of Trinity College of Florida. God Bless!

Working on the yearbook this year has been such a joy in so many ways. Not only was I able to see all the pictures taken, but I was able to put words to these memories as well. To top everything off, I was able to work with some pretty amazing friends along the way, all of which I count as a privilege.

For my first year of being here, I have felt welcomed and loved by the student body! It has been great pumping up the yearbook staff! You will see more of me in the years to come.

In everything set an example. - Titus 2:7
