COVID-19 Safety Protocol Policy for Academic Spaces

[Updated 01/11/2022]

Policy Basis

In general, all policies adhered to by Trinity College of Florida follow either the recommendations made by the CDC or by the Florida Department of Health.

Policy on Classrooms

- The policy on wearing masks is to be followed. (Covid-19 Safety Protocol Policy for Masks, Movement and Physical Proximity)
- To maintain social distancing the desks and tables must remain as they are placed each morning.

Policy on Student Learning Center

- Masks and social distancing are highly suggested in the SLC
- Due to the close proximity to students, the SLC Director and all tutors should consider wearing masks while students are present.
- Online and video tutoring is available for any student who is uncomfortable receiving tutoring in person.

Policy on Library

- Masks and social distancing are highly suggested in the Library
- All students and faculty should consider wearing masks while in the library
- The Library hardcopy collection will be available for student checkout upon request.
- The Online library collection is easily accessible to all students.
- If a search of the data bases does not yield the desired book, a request can be sent to the Library Staff who will find the book and make it available for checkout.
