## Business Organizational Leadership Major

### Sport Leadership Concentration

*Department Chair: Cynthia Perkins, M.A.O.L.*

This program equips the student with business and leadership skills to be influential in diverse and complex organizational environments. The Sport Leadership Concentration equips students to become influential, ethical change agents in sports-related agencies and businesses. The student will study effective ways to influence the sports arena through project management, sports administration, and sports leadership theories, skills, and best practices.

Students successfully completing this program will demonstrate:

- 1) An advanced understanding and application of leadership theories to effectively motivate others, lead innovation, and impact an organization for successful growth.
- 2) A personal understanding of his/her core competencies as it relates to the ability to lead in an ethical manner through negotiation, inspiration, teamwork, and strategic decision making.
- 3) An in-depth understanding of how to integrate his/her faith into all areas of business and organizational life.
