Addended Policy, Non-degree seeking Students

Non-degree seeking acceptance indicates an applicant has been accepted and is eligible to enroll in courses for audit or to earn academic credit for certificate programs, transient study, or high school dual enrollment for their starting semester. Non-degree seeking students pursuing transient study or high school dual enrollment study may enroll up to, but not exceed 9 credit hours per semester for freshman through juniors; 12 credit hours for seniors to earn academic credit unless exempted by the VP of Academic Affairs.

Addended Policy, Dual-enrolled Students

TCF academic requirements for admissions as a dual-enrolled student: Students must be at least a freshman in high school and have at least 3.0 GPA to take dual enrollment courses. They must also process through the normal admissions process with the exception of the required SAT/ACT/CLT tests.

I, Eric Bargerhuff, do hereby certify this addendum to be true and correct in content and policy. Our institution will adopt this addendum, effective 12/06/2022 and will incorporate this policy into the next revision of our catalog.

Dr. Eric Bargerhuff, Vice President for Academic Affairs
